Could You or Your Agency Benefit From Having an Officer Certified as an OC Instructor?

POST is interested in providing an OC Instructor course through Sabre. This course would focus on effectiveness, self defense, your instructors requirements methods, and how to properly teach this program. In order to fill the requirements we would need a minimum of 15 attendees. This is a 1 day (10 hour) course to become certified; the cost is \$150 per seat. This course would be held at POST in Carson City. If POST receives enough interest in attendance we will set up a date and time for the administration of the course. If you or your agency are interested or would like more information, please contact Training Specialist Andrew Borkowski at 775-687-3304 or at aborkowski@post.state.nv.us.
