2016 Annual Compliance

It is that time again for an officer's annual compliance training to be completed. All reporting of annual compliance for 2016 should be submitted to POST by **December 31, 2016**. Every year as a requirement to maintain basic certification, an officer must demonstrate proficiency in the five required critical skills plus 12 hours of agency training (or have a valid excuse as indicated by the pull-down selection in the Formatta Form). The initial compliance reports have been run and sent via email to the agency single-point-of-contact providing the status of officers in their agency. For questions about compliance, contact Rick Radecki at 687-3326 or rradecki@post.state.nv.us. Agencies that are submitting spreadsheets for import should send them to Shirley Micallef at smicallef@post.state.nv.us.

Report a Professional Course Completion Once

When an officer completes a POST certified course, it should be reported to POST only once. The course hours that are used toward a professional certificate must be from different courses. Therefore, SPOCs should only report one occurrence of an officer completing a specific professional course. If more than one completion of a course is reported, it will be rejected and the hours will not be used toward the total number of hours required for a POST professional certificate.

NOTE: If an officer does take the same course, the hours may be used toward satisfying the annual requirement of 12 hours of agency specific training for the year.

November 1, 2016 — Commission Meeting Highlights

- An Executive Certificate was awarded to Captain S. Andersen of the Las Vegas Metropolitan Police Department.
- Six month extensions were approved for officers from Southern Nevada Adult Mental Health, Esmeralda County Sheriff's Office, and Carson City Sheriff's Office to complete their requirements for basic certification.
- Post Commission took action to revoke the following Basic Certificates:
 - Solomon Coleman; based on a Gross Misdemeanor conviction.
 - Saverio Scarlatta II; based on a Gross Misdemeanor conviction.

POST will be hosting the following Professional Development courses in the next few months:
