**Welcome New POST Staff Members**

Please join us in welcoming the newest POST staff members Eric Schinzing and Cameron Carmichael. Both Eric and Cameron have joined the training team as Training Specialists.

Mr. Schinzing possesses many years of training experience including serving as a Field Training Officer and was previously employed with the Douglas County Sheriff's Office.

Mr. Carmichael has joined POST after serving many years in numerous law enforcement positions including University Nevada Reno and several years with the City of South Lake Tahoe.

**New POST Academy Commander**

POST is pleased to announce that Brian Mehrer has been appointed as the POST Academy Commander. Brian joined the POST staff as a Training Specialist in October, 2016. Brian has previous law enforcement experience and holds a B.A. from Jamestown College in North Dakota and a Masters in Education from Montana State University. Please join us in congratulating Brian on his new position.

**Commission Meeting Scheduled for February 9**

The next Commission Meeting is scheduled to be held at the POST facility located at 5587 Wa Pai Shone Avenue, Carson City. Starting at 9:30 A.M., a workshop will be held followed by a regularly scheduled meeting. Among the topics to be discussed are revisions to the Category I, II, III, and Reserve Basic Training topics. Access the [Commission Meetings](#) page of our website for more information.

**2016 Annual Compliance**

The reporting of annual compliance for all officers for 2016 should have been submitted to POST by December, 31, 2016. The compliance reports have been run and sent to each agency showing their deficient officers. The Notice of Non-Compliance for the non-compliant officers listed will be sent out to each agency soon for immediate distribution. After giving the notice to the non-compliant officers, the Declaration of Service should be promptly returned to POST via mail, email or fax.

Once an officer receives a Notice of Non-Compliance, he or she has 60 days to complete all annual requirements (which must be reported to POST) to prevent the Commission from suspending their Basic Certificate. For questions or issues regarding 2016 annual compliance, contact Rick Radecki.

**IMPORTANT NOTICE TO SPOCs:** If you are submitting training for 2016, MAKE SURE to change the CREDIT YEAR for EVERY form submitted to 2016 when you are reporting any compliance training for 2016. MAKE SURE EACH FORM IS CORRECT BEFORE YOU CLICK "SUBMIT"!

***This is VERY IMPORTANT!!***

**POST Academy Enrollment Policy**

Each POST academy class has a maximum of 32 cadets open to all agencies in the state. The start date and the enrollment packet for each academy class are posted on the POST website along with the specified deadline date for enrollment. All completed forms and documents that are required for successful enrollment must be received by the specified deadline date, at which time the enrollment for that class is considered closed. No other cadet enrollment will be accepted after this date unless an exception is approved by the POST Executive Director.

If more than 32 cadets are enrolled in one class, acceptance will be based on an agency's selection of no more than two cadets per agency, on a first come first serve basis, in addition to the following priority:

1. Any officer granted an extension by the Commission;
2. Rural agencies with cadets due to reach one year of employment prior to the start of the following academy;
3. State agencies with cadets due to reach one year of employment prior to the start of the following academy;
4. Rural agency cadets;
5. State agency cadets;
6. Tribal agency cadets

Based on a cadet's agency and the above priority, up to 4 alternate cadets will be identified, prioritized and notified. Alternate cadets must attend the first day of the academy with all required uniforms and equipment and participate in the physical readiness academy entrance test. Alternate cadets are not guaranteed enrollment in the class; however, if vacancies occurs on day one, each vacancy shall be filled by an alternate cadet in their prioritized order. Any alternate cadet not confirmed into the class and officers that had successfully enrolled, but not accepted, will automatically be placed on a waiting list for the following academy class.
