CAT II / III Only POST Academy Coming Summer 2024

POST has made some changes in how we will be delivering Category II basic training. To be more responsive to the Category II discipline, provide a more appropriate format directed at the Category II job, we will be separating Category II specific trainees from Category I. We believe these changes not only will improve the basic training experience for trainees but make recruiting, hiring and planning for training more predictable for the Category II agency. So, with the changes attendees will be category II or III trainees only. Living in the dorms will be optional.

As such the next Category II basic training academy here at the Carson City campus will begin **May 13, 2024 and end June 27, 2024**. New enrollment forms are being created. We hope by providing this information now, it will benefit the planning and hiring for our Category II agencies. This change applies to those hiring for and requiring Category II basic certificates. If you have any questions do not hesitate in contacting Deputy Director Chris Carter at (775) 687-3325. For those who had planned on a January academy please contact the Standards Division should you need to apply for an extension of time to get the trainee to the May date.

We're Hiring!

POST is currently accepting applications to fill a full-time Training Specialist position in our Basic Academy. This position is often referred to as a TAC Officer and some duties of this position include: Supervise basic law enforcement cadets during a Category I/II/III residential academy, develop and evaluate leadership, command presence, officer safety, ethical and legal decision making under stress and physical fitness.

Nevada officers with an active POST Basic Certificate will maintain their certificate and it will not expire while working for POST.

Check out our home page for more details, post.nv.gov

Basic Application Update

One of many changes resulting from the passing of SB225 is the addition of an affidavit that must be filled out, notarized, and attached to the Basic Application Form. This Affidavit can be found on the POST website, under the FORMS tab <https://post.nv.gov/Forms/>.

Effective immediately, this form must accompany the Basic Application. Failure to attach the notarized form will result in the basic application being rejected.

If you have any questions, please don't hesitate to contact the Standards Division.

Form Submissions

All forms, including Course Certification and Course Update forms must be submitted by the agency SPOC, Alternate SPOC or Administrator of record. We will no longer accept Course certification and/or Course Update forms from other employees/officers of an agency. If we receive a form from anyone other than the contact on record, the forms will be rejected to the SPOC for resubmittal. The contact on record submitting these documents ensures to POST that the agency is aware of these requests and approves of them.

If you have any questions about this submission process, don't hesitate to contact Cam Carmichael at ccarmichael@post.state.nv.us or Chief Kathy Floyd at kfloyd@post.state.nv.us.

New Database—UPDATE

The new forms are now accessible using the SPOC Portal tab on the POST website. Formatta is no longer available. Snapshot is still accessible but is only updated to mid-July. Please contact the Standards Division to request information you once would have accessed Snapshot for.

We are currently working on getting Snapshot active again. Once that happens, an email will be sent to all SPOC's and Admins.

This communication is intended for all of Nevada Law Enforcement. Please forward this document or make it available to anyone for which the material may be of interest. This document is also available from the Home page of <http://post.nv.gov>

Online PPRT Administrator and Proctor Courses

Just a reminder, the POST PPRT is a validated physical readiness test. It is not designed to measure fitness level, but rather the physical ability to complete those critical tasks that may occur within each category of peace officer. Obviously, the title can be confusing, but this is an important distinction.

To reduce confusion, we will be using the term PPRT (POST Physical Readiness Test) going forward.

Only those administering the test for official record certification purposes are required to be PPRT Administrator certified. Those who are conducting PPRT's for hiring/recruiting purposes, or in a capacity other than the officer's record certification PPRT, are not required to be PPRT Administrator certified.

PPRT Proctor Course

POST has prepared an informational online PPRT course specifically for attendees that only conduct non-record PPRT's. Those who attend this course will receive a Certificate of Completion but will not receive a PPRT Administrator's certification number. This course is located on nvelearn.nv.gov

PPRT Administrators Course

POST has updated the process to become a PPRT Administrator. The new process is a 2-part process containing online training and on-site training.

Those needing to be PPRT Administrator certified for the purposes of conducting PPRT's for record purposes will take the PPRT Administrator Course on nvelearn.nv.gov.

Once the course has been completed, the student will work with POST to attend and observe a PPRT. After the completion of the PPRT, the students will then complete the PPRT Administrators exam.

Upon the completion of the online training, on-site training, and the passing of the exam, the student will then be emailed their PPRT Administrators Certificate of Completion with their unique PPRT Administrator number.

To enroll in this course, students will need to work with their supervisor, manager or administrator of their agency and fill out the PPRT Administrator Course Nomination Sheet available on the forms page of our website at post.nv.gov/forms/ and submit the completed form to Mike Hayhurst at mhayhurst@post.state.nv.us.
