PUBLIC COMMENT HEARING NOTICE: The Commission on Peace Officer Standards and Training (“Commission”) will be holding a Public Comment Hearing at 8:30 a.m., on May 7, 2020, at the Nevada Commission on Peace Officer Standards and Training, classroom #2, 5587 Wai Pai Shone Ave. Carson City, Nv 89701. The purpose of the hearing is to receive comments from all interested persons regarding the adoption, amendment and repeal of regulations that pertain to Chapter 289 of the Nevada Administrative Code (NAC).

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. The need for and purpose of the proposed regulations.

NRS Chapter 289 authorizes the Commission to adopt regulations setting the minimum standards for the certification, decertification, training and selection of peace officers. See NRS 289.510. The existing regulations establish the minimum standards of training for certain category I, category II, category III, and reserve peace officer. (NAC 289.140-170)

NRS 289.510 requires a peace officer to satisfy certain requirements annually in order to maintain a basic certificate or reserve certificate, including completion of 12 hours of in-service training prescribed by the administrator of the employing agency of the peace officer. Existing regulations authorize this in-service training to include, without limitation, training related to: (1) legal issues; (2) the policies and procedures of the employing agency of the peace officer; (3) driving; (4) first aid; (5) cardiopulmonary resuscitation; (6) blood-borne pathogens; (7) sexual harassment; and (8) any other training prescribed by the administrator of the employing agency of the peace officer. (NAC 289.230) **Section 1** of this regulation removes the existing in-service training requirements and instead provides that the peace officer must complete not less than 12 hours of continuing education in courses that address: (1) racial profiling; (2) mental health (3) the well-being of officers; (4) implicit bias recognition; (5) de-escalation; (6) human trafficking; and (7) firearms. **Sections 2 and 3** of this regulation make conforming changes.

2. For a temporary regulation, the terms, or the substance of the regulation to be adopted, amended or repealed, or a description of the subjects and issues involved.

This is a permanent regulation.

3. For a proposed regulation, a statement explaining how to obtain the approved or revised text of the proposed regulation.

The proposed regulation text may be obtained by going to the Register of Administrative Regulations for 2020 and clicking the link: <http://www.leg.state.nv.us/Register/2020Register/R025-20.pdf>.

The proposed regulation text may be obtained by contacting Scott Johnston at johnston@post.state.nv.us or by telephone at 775-687-3335.

4. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately and in each case must include:

(a) Both adverse and beneficial effects; and

(1) Adverse effects: None anticipated.

(2) Beneficial effects: The regulation will provide specific topic areas for continuing education each year for Category I, Category II, Category III and Reserve peace officers. The 12 hours of continuing education in courses address: (1) racial profiling; (2) mental health (3) the well-being of officers; (4) implicit bias recognition; (5) de-escalation; (6) human trafficking; and (7) firearms.

(b) Both immediate and long-term effects:

The immediate effects: The regulation will require agencies to change the topic areas of training already established for the agency to include the topics in this regulation.

The long term effects: The regulation does not foresee any long term effects.

5. The methods used by the agency in determining the impact on a small business.

The Commission on POST has reviewed the text of the proposed regulations. Because the regulation amends Nevada Administrative Code Chapter 289, dealing with certification provisions of the annual continuing education of peace officers, the proposed amendments to NAC Chapter 289 will have no impact on small business.

6. The estimated cost to the agency for enforcement of the proposed regulation.

The Commission does not project any extra costs for enforcement of the proposed regulations.

7. A description of and citation to any regulations of other states or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the proposed regulation overlaps or duplicates a federal regulation, the notice must include the name of the regulating federal agency.

The proposed regulation does not overlap or duplicate any regulations of state, local or federal governmental agency regulating the same activity.

8. If the regulation is required pursuant to federal law, a citation and description of the federal law.

The proposed regulation is not required by federal law.

9. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provision.

There are no federal regulations that regulate the same activity.

10. Whether the proposed regulation establishes a new fee or increases an existing fee.

This regulation does not involve or establish fees.

11. For a temporary regulation, each address at which the text of the regulation may be inspected and copied.

This regulation is not a temporary regulation; it is a permanent regulation.

Persons wishing to comment upon the proposed action of the Commission on Peace Officer Standards and Training (Commission on POST) may appear at the scheduled public hearing or may address their comments, data, views or arguments, in written form, to Michael D. Sherlock, Executive Director, Commission on POST, 5587 Wa Pai Shone Avenue, Carson City, Nevada 89701. **Written submissions must be received by the Commission on POST on or before 5:00 pm on April 2, 2020.** If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Commission on POST may proceed immediately to act upon any written submissions.

Copies of this notice and the proposed regulation will also be mailed to members of the public at no charge upon request.

Upon adoption of any regulation, the agency, if requested to do so by an interested person, either before adoption or within 30 days thereafter, shall issue a concise statement of the principal reasons for and against its adoption and incorporate therein its reason for overruling the consideration urged against its adoption.
