PUBLIC COMMENT HEARING NOTICE: The Commission on Peace Officer Standards and Training (“Commission”) will be holding a Public Comment Hearing at 8:30 a.m., on May 7, 2020, at the Nevada Commission on Peace Officer Standards and Training, classroom #2, 5587 Wai Pai Shone Ave. Carson City, Nv 89701. The purpose of the hearing is to receive comments from all interested persons regarding the adoption, amendment and repeal of regulations that pertain to Chapter 289 of the Nevada Administrative Code (NAC).

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. The need for and purpose of the proposed regulations.

NRS Chapter 289 authorizes the Commission to adopt regulations setting the minimum standards for the certification, decertification, training and selection of peace officers. See NRS 289.510. The existing regulations establish the minimum standards of training for certain category I, category II, category III, and reserve peace officer. (NAC 289.140-170)

Existing regulations establish a procedure for the award of a basic certificate to any peace officer who meets the minimum standards of appointment and has been certified by another state or completed certain federal training approved by the Commission, authorizing the award if: (1) the Commission determines that the training required for certification was equivalent to that of the basic training course for basic certification; (2) the certification in the other jurisdiction has not been revoked or suspended; (3) not more than 60 months have lapsed since the employment in the other jurisdiction; (4) the peace officer completed a minimum of 80 hours of training in a course approved by the Executive Director of the Commission; (5) the peace officer passes the state certification examination for the appropriate category of peace officer. (NAC 289.200).

Existing regulation provide that the basic certificate of a peace officer will be placed on inactive status upon the termination of the peace office for any reason. Existing regulations provide that the basic certificate expires after 5 consecutive years of inactive status, meaning that upon the expiration of the basic certificate, the peace officer must renew his or her certificate by completing the standards process. (NAC 289.200).

This regulation provides that the Executive Director may return to active status the basic certificate of a category I or category II peace officer that would have otherwise expired if the peace officer: (1) meets the minimum standards for appointment; (2) successfully completes the training course, certification examination and physical fitness examination requirements established in the procedure for basic certification of a peace officer certified in another state or federally trained in an approved program; and (3) within 5 consecutive years of the termination of employment of the category I or category II peace officer, or he or she became employed as a full time employment of the Commission or the law enforcement officer of a federal law enforcement agency, approved by the Commission, and

subsequently, within 5 consecutive years of termination his or her employment with the Commission or the federal law agency, as applicable, the peace officer obtained his or her current employment as a category I or category II peace officer in the same category of peace officer as he or she held prior to his or her employment with the Commission or federal law enforcement agency.

2. For a temporary regulation, the terms, or the substance of the regulation to be adopted, amended or repealed, or a description of the subjects and issues involved.

This is a permanent regulation.

3. For a proposed regulation, a statement explaining how to obtain the approved or revised text of the proposed regulation.

The proposed regulation text may be obtained by going to the Register of Administrative Regulations for 2019 and clicking the link: <http://www.leg.state.nv.us/Register/2019Register/R112-19.pdf>.

The proposed regulation text may be obtained by contacting Scott Johnston at johnston@post.state.nv.us or by telephone at 775-687-3335.

4. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately and in each case must include:

(a) Both adverse and beneficial effects; and

(1) Adverse effects: None anticipated.

(2) Beneficial effects: The regulation will provide that the Executive Director may return to active status the basic certificate of a category I or category II peace officer, that would have otherwise expired, when they were employed with an approved federal law enforcement agency as a peace officer or employed with the Commission. Additionally, upon termination of his or her employment with the Commission or the federal law enforcement agency, as applicable, and the peace officer obtains his or her current employment as a category I or category II peace officer in the same category of peace officer as he or she held prior to his or her employment with the Commission or federal law enforcement agency their certificate can be reinstated by the Executive Director of the Commission.

(b) Both immediate and long-term effects:

The immediate effects: The regulation will allow officers with category I and category II basic certificates to go to federal law enforcement agencies as equivalent category I or Category II federal peace officer; or be full time employed with the Commission without having their certificate becoming expired. An officer who leaves federal law enforcement or the Commission and returns to a Nevada law enforcement as a category I or category II peace officer within 5 years, their basic certificates will be reinstated.

The long term effects: The regulation does not foresee any long term effects.

5. The methods used by the agency in determining the impact on a small business.

The Commission on POST has reviewed the text of the proposed regulations. Because the regulation amends Nevada Administrative Code Chapter 289, dealing with certification provisions of the Basic Certificate of peace officers, the proposed amendments to NAC Chapter 289 will have no impact on small business.

6. The estimated cost to the agency for enforcement of the proposed regulation.

The Commission does not project any extra costs for enforcement of the proposed regulations.

7. A description of and citation to any regulations of other states or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the proposed regulation overlaps or duplicates a federal regulation, the notice must include the name of the regulating federal agency.

The proposed regulation does not overlap or duplicate any regulations of state, local or federal governmental agency regulating the same activity.

8. If the regulation is required pursuant to federal law, a citation and description of the federal law.

The proposed regulation is not required by federal law.

9. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provision.

There are no federal regulations that regulate the same activity.

10. Whether the proposed regulation establishes a new fee or increases an existing fee.

This regulation does not involve or establish fees.

11. For a temporary regulation, each address at which the text of the regulation may be inspected and copied.

This regulation is not a temporary regulation; it is a permanent regulation.
