**DISPATCHER BASIC TRAINING
REMEDICATION FORM
(NAC 289.335)**

Individuals enrolled in the Dispatcher Basic Training course have 180 days to complete the course. The course has 13 separate topics with an exam after each topic. The student must pass the topic exams in order to advance to the next topic. If a student fails their first attempt on an exam, they will be allowed to review the material and take that exam again. If they pass the second attempt, they will be able to move forward to the next topic. If they fail to pass the second attempt, they will be restricted from moving onto the next topic.

In order to reset the exam attempts, the agency will need to conduct remedial training with the student. Once the remedial training is complete, the agency supervisor will need to submit this form to the Training Division Administrative Assistant, bgatlin@post.state.nv.us, in order to reset the exam attempts.

Once the form is processed and the exam attempts have been reset, the supervisor will be notified.

The student's deadline will remain the same.
