ATTENTION AGENCY SPOCS!!

Three Forms have been Updated

The two Formatta forms "Basic Certificate Application" and "Professional Certificate Application" have been updated. When you click the Lookup button, in addition to displaying the officer's last, first, and middle initial, the suffix (e.g. Sr., Jr., III) of the officer's name will also display in a separate field. Make sure to access the Formatta website and use these updated forms before applying for any further basic or professional certificates.

The third form that has been updated to include an officer's suffix (e.g. Sr., Jr., III) is the "Veteran Status, Child Support Statement and Personal Affirmation". This is the form that **must** be completed and attached with all Basic Certificate Applications and the name that appears on this form will be used on all certificates. The updated form is posted on the POST website on the [Forms](#) page under the Basic Certification category.

Please be sure to use these updated forms to ensure that all of the officers' names in our database are accurate. In addition, using these forms with the name suffix will assist us immensely in issuing documents and/or certificates is the officer's correct name.
