### Welcome New POST Staff Member

Please join us in welcoming the newest POST staff member, Andy Borkowski. Andy is a Training Specialist working with the training team. Andy holds a B.A. in Criminology and Criminal Justice, is a 2013 graduate of the POST Academy, and was previously employed with the Nevada Department of Wildlife.

### A Word from the Executive Director

For those of you who do not know me, my name is Mike Sherlock and I have been a POST staff member for over five years. I would like to say that I feel sincerely privileged to serve as the Executive Director of POST and I would like to extend my appreciation to everyone that participated in, and supported, the selection process. I have had the opportunity to meet many of you, and as Executive Director, I am looking forward to meeting many more of you who are involved in our Nevada Law Enforcement Community. Since I have already been with POST for quite some time, I possess an intimate knowledge of the inner workings of the agency and understand the challenges that lay before us. I am truly dedicated to the officers in this state and look forward to working with all of you as we strive to advance officer professionalism and achieve the highest standards in officer and public safety.

### **ATTENTION:** Instructors and Role Players Needed

The POST Academy is looking for instructors to teach in the academy and also individuals to act as role players. Please pass this information along to anyone interested and have them contact Boe Turner, Chief of Training, at 775-687-3311 or send an email to [bturner@post.state.nv.us](mailto:bturner@post.state.nv.us).

### **NOTICE:** All Basic Training Providers Annual Audits

Effective immediately, POST will be conducting annual audits of all certified academy programs. As we progress through our list of academies we will contact each training provider to schedule a time and date that is convenient. The academy audit process is nothing new, just the frequency of our visits will now be on an annual basis.

If a training provider conducts multiple academy programs, all of the programs will be reviewed in one visit to minimize any inconvenience to the agency. For questions or to schedule an audit, contact Warren Turner at 775-687-3348 or send an email to [wturner@post.state.nv.us](mailto:wturner@post.state.nv.us).

This communication is intended for all of Nevada Law Enforcement. Please forward this document or make it available to anyone for which the material may be of interest. This document is also available from the Home page of <http://post.nv.gov>
