NOTICE OF WORKSHOP TO SOLICIT COMMENTS ON PROPOSED REGULATIONS

The Commission on Peace Officers' Standards and Training, 5587 Wa Pai Shone Avenue, Carson City, Nevada, Telephone Number (775) 687-7678, is proposing the Adoption, Amendment and Repeal of regulations pertaining to Chapter 289 of the Nevada Administrative Code.

Notice is hereby given that starting at 8:00 am, on Thursday May 1, 2014, there will be a Workshop at the Commission on Peace Officers' Standards and Training, classroom 2, at 5587 Wa Pai Shone Avenue, Carson City, Nevada.

The purpose of the workshop is to solicit comments from interested persons on the following general topic that may be addressed in the proposed regulations:

TOPIC

NAC REGULATION

A. The Commission to consider repealing NAC 289.200(3), the regulation establishing an expedited process for a peace officer holding a category II basic certificate to obtain a category I basic certificate upon successful completion of a training course approved by the Executive Director that consists of a minimum of 280 hours in specific course topics. Through the repeal of this regulation, the Commission would no longer provide an expedited process for category II peace officers to upgrade to a category I certificate. Instead, a category II peace officer would be required to attend a category I basic training course to obtain a category I basic certificate.

1 RONALD PIERINI: Good afternoon. Quite a
2 crowd here; that's great. Today is March 5, 2014
3 and we're at the Carson City Sheriff's Office, 901
4 East Musser Street, Carson City, Nevada. And we've
5 got a workshop that we're going to start off with
6 and, hopefully, we'll have some comments from the
7 public and, also, the Commissioners.

8 I wanted to remind the public to sign in
9 on our attendance roster, which was in the back. If
10 you haven't done that, we would appreciate that.
11 And then if you do come up and make a comment, we
12 would like to have your name and agency that you
13 work for. We ask to others that make sure your cell
14 phones are turned off or at least on mute. Remind
15 the Commissioners that -- state your name when you
16 do want to make a comment and/or have an agenda
17 item. Remind the Commissioners that the microphones
18 are very sensitive, so if you're talking to the
19 person next to you, it could be recorded. And then,
20 finally, we ask that when you do make a motion that
21 it's, well, clear and you exactly say what the
22 motion is before we go on with that.

23 So, I'd like to ask Scott Johnston if you
24 could tell us where this was posted at, please.

25 SCOTT JOHNSTON: Thank you. Scott

1 Johnston for the record. The notice for this
2 meeting was posted at the legislative website at
3 leg.state.nv.us pursuant to NRS and at the POST
4 website at post.nv.gov. This was also posted at the
5 POST administrative offices at the Blasdel Building
6 here in Carson City, the Grant Sawyer Building in
7 Las Vegas, White Pine County Sheriff's Office in
8 Ely, at all of the county libraries, as well as
9 electronically sent to all the criminal justice
10 agencies in our directory.

11 RONALD PIERINI: Thank you, Scott. We're
12 going to need to do a roll call. I'll start with
13 Tony. Tony, roll call.

14 ANTHONY DEMEO: Okay, sorry. Tony DeMeo,
15 Nye County.

16 DARIN BAALAM: Darin Balaam, Washoe
17 County.

18 DAN WATTS: Dan Watts, White Pine County.

19 JAMES WRIGHT: Jim Wright, DPS.

1 MICHAEL JENSEN: Mike Jensen, Office of
2 the Attorney General.

3 SCOTT JOHNSTON: Scott Johnston, POST.

4 ELAINE MOORE-CERDA: Elaine Moore-Cerda,
5 POST.

6 RONALD PIERINI: Thank you. Because of
7 time and for courtesy to a very special person,
8 Chief Officer Karen Coyne, we would like to
9 recognize you. And this would be regularly on
10 Number 3, Section 3, but because of your schedule,
11 we would like you to come up and we want to present
12 something for you. Most of us know Karen for a long
13 time. She's a done a really, really great job as a
14 Commissioner and she decided to retire. And that
15 means when you retire, then no longer can be a
16 Commissioner. We're certainly going to miss you.
17 You contributed a lot to this organization. We
18 appreciated the hard work you gave us and, also,
19 with Nevada Sheriffs and Chiefs you were a board
20 member of that and did an excellent job, too. On
21 behalf of the POST Commission, what we'd like to do
22 is give you this plaque as a token of our thanks for
23 a job well done.

24 KAREN COYNE: Thank you. Thank you so
25 much. It's beautiful. My goodness, thank you.

1

2 RONALD PIERINI: And you're still going to
3 be living in Virginia City?

4 KAREN COYNE: I am.

5 RONALD PIERINI: All right. Well, when we
6 have meetings, we expect you showing up, okay?

7 KAREN COYNE: Thank you. Thank you.
8 Thank you. Thank you.

9 RONALD PIERINI: If you'd like to say
10 anything, feel free.

11 KAREN COYNE: Probably do that, thanks.
12 So, this is so nice. So unnecessary, but really
13 heartfelt and appreciated. And I'm terrible at
14 doing this because I really feel like I should be
15 thanking you and so let me do that. Dick, in
16 particular, you know, you first approached me about
17 this opportunity many years ago and you've been a
18 real friend and a true mentor along the way, as many
19 of you have that I've served with in some capacity
20 or other and it's always the people that you miss
21 when you move on to do other things in your life.
22 So, I wish each and every one of you the best in all
23 your future endeavors and I really thank you for the
24 roles that you played in my special journey, so
25 thank you. Thanks for having me over. I appreciate

1 it and thanks for the courtesy. We've got a
2 driver's license to get. Thank you.

3 UNIDENTIFIED MALE SPEAKER: Good luck on
4 that driver's license.

5 KAREN COYNE: Thank you, sir.

6 RONALD PIERINI: You're not going to be
7 with your son when he's driving on the test, is he -
8 - are you? She's ignoring me, but that's okay. You
9 know, I wonder if, by chance, that Mike Jensen would
10 talk just real briefly about a workshop, what we're
11 trying to accomplish, so that the public, more than
12 anything, understands what we're trying to
13 accomplish.

14 MICHAEL JENSEN: Sure. Thank you, Mr.
15 Chairman. Mike Jensen for the record. I'll try to
16 give you the Readers Digest version of this, but the
17 Commission is given authority under Chapter 289 to
18 adopt regulations that relate to the certification,
19 decertification and training of peace officers. And
20 anytime the Commission does something with regard to
21 those regulations, whether you adopt a new or you
22 revise or amend a regulation, there's a statute, a
23 set of statutes, that require certain procedures to
24 be followed under the Nevada Administrative
25 Procedures Act.

1 And there are essentially three steps in
2 that process. The first step is the Commission is
3 hold a workshop. The workshop is intended to allow
4 interested parties to get together to discuss
5 subject matter that might be covered by a regulation
6 change. It's basically more informal than what
7 you're going to have a little later, which is your
8 public comment hearing, which is the second step.
9 At that point, there's a set of drafted regulations
10 that we have received back from the Legislative
11 Counsel Bureau. And at that point, the public can
12 actually see the language of the proposed regulation
13 and comment on it.

14 Once you've had your public comment
15 hearing, then the Commission, during its regularly
16 scheduled meeting, has the opportunity to discuss
17 the comments that you've received and to determine
18 whether or not you want to adopt the regulation as
19 written or potentially make some changes to the
20 draft regulation based on comments that you've
21 received.

22 RONALD PIERINI: Thank you, Mike.
23 Appreciate that. Also, for the secretary, if you'd
24 also note that Greg Cox of Department of Corrections
25 is absent. If you'd make sure that's done. Okay.

1 We're going to go on with the topics that we're
2 going to do in the workshop. It's under A and it's
3 under NAC Regulations, NAC 289.290. The Commission
4 to consider amending NAC 289.290, which establishes
5 the cause of the Commission to revoke, refuse or
6 suspend the certificate of a peace officer, to
7 include the provision authorizing the Commission to
8 revoke a peace officer's certificate based on a plea
9 of guilty to felony or gross misdemeanor charges
10 under circumstances where the court defers entry of
11 a judgment conviction on a felony or a gross
12 misdemeanor charge. The regulation changes are
13 being considered in order to provide the Commission
14 with the authority to take action under
15 circumstances where a peace officer enters a guilty
16 plea for felony or gross misdemeanor charges, but
17 the court defers entry of the judgment of
18 conviction. And, Scott, I'm going to look to you to
19 kind of look at that and maybe explain for the
20 Commission and, also, the people here.

21 SCOTT JOHNSTON: Thank you, Mr. Chairman.
22 Scott Johnston for the record. What has led up to
23 the revision and addition to NAC 289.290, the
24 Commission's authority to revoke or suspend a
25 certificate, is that we're seeing a pattern when an

1 officer is charged with gross misdemeanor or a
2 felony, which the Commission would have
3 jurisdiction. It's a condition to revoke a
4 certificate. Subsequently, as it gets towards the
5 end of the case, the officer is allowed to enter
6 into a guilty plea agreement in exchange for
7 leniency or diversion into an extended probation or
8 some other action directed by the court. And in
9 some of those cases, it may be two or three years
10 before it's actually completed. And then the
11 officer, in some cases, is allowed to come back and
12 take a lesser offense as a final disposition, which
13 sometimes is a very minor misdemeanor by comparison
14 to the original offense.

15 And by making these changes, it would
16 allow the Commission to act on the guilty plea
17 agreement for which the officer's pleading to. In
18 essence, he's saying, yes, I did all that, but I
19 want some conditions added to it, such as a
20 probation instead of incarceration time. And that's
21 what this change would be about.

22 And if you turn to Tab A under the
23 Workshop, the second page is a sample of what that
24 might look like in the NAC that we can discuss.
25 This is an actual copy of that particular regulation

1 and it begins down on (1)(e), where it says,
2 "conviction of a gross misdemeanor upon criminal
3 indictment or filing of a criminal complaint,
4 suspension may be imposed." And then the part that
5 would be added would be language something to this
6 effect. Obviously, the Legislative Counsel Bureau,
7 when they write it up would have their twist on it.
8 "Is upon entry to a guilty plea for gross
9 misdemeanor under circumstances where the court
10 defers entry of a judgment or conviction." So, that
11 would allow the Commission to go ahead and move
12 forward with that.

13 And the same thing down on (1)(g) under
14 felony circumstances. It would allow when it's
15 entered into a guilty plea agreement, where the
16 court has deferred the judgment or conviction, the
17 Commission could still revoke the certificate.
18 That's what we're proposing for discussion.

19 RONALD PIERINI: Thank you, Scott.
20 Because I do recall at the end -- remember our --
21 maybe the last meeting that we had or maybe the one
22 before that, we had talked about that, was the fact
23 that we should be looking at that as a possibility
24 of revoking that even though there is a plea
25 agreement that may go away in the future, with -- it

1 could go up to three or four years. Who knows? And
2 as we well know that he's pleading guilty to a
3 serious crime and it's just that the court has given
4 an opportunity for that person to plea that. Mike,
5 is there anything else that you would want to add on
6 that? Are you okay?

7 MICHAEL JENSEN: No.

8 RONALD PIERINI: All right. I'd like to
9 ask any of the Commissioners if you have any
10 comments on that or like to add anything, do you see
11 anything that we want to change or is that a good
12 way to go? Okay. Seeing none, I'd like to ask the
13 audience. Is there anybody in the audience that
14 would like to make a comment on that particular
15 item?

16 STEVE SILVA: I think I will. Just --
17 what the heck. It's my last day before I retire,
18 so.

19 RONALD PIERINI: We're going to miss you.

20 STEVE SILVA: Steve Silva, Nevada State
21 Parks for the record. And I say that our agency
22 would support you going to the rulemaking process on
23 this. The public has a high expectation for the
24 integrity of our officers and the potential of an
25 officer retaining a POST certificate when they had

1 previously, you know, agreed to plea to a serious
2 crime, I think is -- would be detrimental to the
3 integrity or the reputation of all of our officers
4 as a profession. So, we would support the
5 Commission moving forward with rulemaking on this
6 item.

7 RONALD PIERINI: Good. Thank you very
8 much.

9 STEVE SILVA: Thank you.

10 RONALD PIERINI: Good luck on your
11 retirement.

12 STEVE SILVA: Thanks. Thirty-eight years,
13 so -- 34 here.

14 RONALD PIERINI: Anybody else in the
15 audience would like to make a comment? Okay.
16 Seeing none, we're going to go to Number B, which is
17 the next one is the Commission to consider repealing
18 NAC 289.280, the regulation establishing the
19 requirements of an Instructor Certificate. Through
20 the appeal of this regulation, the Commission will
21 discontinue the issuance of a Instructor
22 Certificate. And, Scott, you need to talk about
23 that?

24 SCOTT JOHNSTON: Thank you, Mr. Chairman.
25 Scott Johnston for the record. This revision is

1 actually a complete repealing of the Instructor
2 Certificate, which is one of the POST professional
3 series certificates. It's been around a long time.
4 Some of the requirements and leading up to it,
5 there's other instrumentation already out there in
6 place that would substitute that and actually
7 provide for an officer to be able to instruct a
8 school without moving forward and obtaining this
9 type of a certificate.

10 When we look at the Instructor
11 Certificate, it's getting to the point where it has
12 no value. And I say that in that the requirements
13 seem like they're pretty slim in some respects.
14 Either you've been to some training and you've got a
15 couple of years experience in the topic area and
16 maybe an instructor school and that qualifies you to
17 do that instead of something more stringent. And
18 the requirements to keep the certification requires
19 that they annually instruct that course for which
20 they're receiving the certificate. The problem is,
21 once that course is certified, then down the road,
22 that may fall to the wayside and be rescinded or
23 decertified by the agency because it's no longer
24 valid for whatever reason. It's outlived its time
25 and now this person has an Instructor Certificate

1 that they can't keep up. So, that can create some
2 kind of a problem in that arena.

3 Monitoring it on a large scale, we're
4 still trying to figure out how we can do that
5 without actually physically going out to every
6 agency that has an officer who has a certificate and
7 reviewing every file that's in there and looking
8 back over time to see, did they really teach this
9 class or did they not. Some of the programs that
10 enabled some people to get -- receive this
11 certification, they might list eight or nine
12 instructors that were involved in authoring the
13 program, but which actually taught the class?
14 That's almost impossible for us to verify at this
15 time.

16 Some of the things that -- or actually
17 would sort of replace that is right now, an officer
18 goes to an instructor school, 40-hour, an 80-hour,
19 maybe it's a range master, maybe it's a DUI
20 instructor school, and they already receive a canned
21 lesson plan, basically, that's provided to them by
22 whoever the vendor is that's providing this
23 instructor school. And they bring that back and
24 they make a couple of adjustments in it to coincide
25 with the agency's needs.

1 They didn't author that lesson plan, so
2 they wouldn't be entitled to the Instructor
3 Certificate. You have to be the author of a lesson
4 plan. But they are very qualified to teach that
5 program anywhere in the state with the highest
6 degree of credentialing already established and,
7 that is, you went to a very intensive school to
8 become an instructor. And that speaks for a lot
9 right there. Something else is not really needed.

10 Additionally, we have got instructor
11 development programs that have been active in this
12 state for law enforcement for as long as I've been
13 here, some 23 years. And there's basic and there's
14 intermediate train-the-trainer programs for that.
15 And as we all know and the public law enforcement
16 officers know, those programs are designed to build
17 instructors, teach them how to teach. And that's
18 the most important component right there is being
19 able to develop lesson plans, do training needs
20 analysis for an agency and to be able to assist in
21 that whole process. These, in most of our opinions,
22 are much more value than a single certificate.

23 So, we're bringing this to the Commission
24 to entertain the possibility of maybe repealing this
25 certificate and moving forward with it.

1 RONALD PIERINI: Okay. Thank you, Scott.
2 Do I have any questions from any of the
3 Commissioners? Okay. Seeing none, I'm asking the
4 public. Does anybody want to make any comments on
5 that? Okay. Thank you. Going to C now and this is
6 the Commission consider repealing NAC 289.200(3),
7 regulation establishing an expedite process for a
8 peace officer holding a category II basic
9 certificate to obtain a category I basic certificate
10 upon successful completion of a training course
11 approved by the Executive Director, consists of a
12 minimum of 280 hours in specific course topics.
13 Through the repeal of this regulation, the
14 Commission would no longer provide an expedited
15 process of category II peace officers to upgrade to
16 a category I certificate. Instead, a category II
17 peace officer would be required to attend a category
18 I basic training course to obtain a category I basic
19 certificate. Scott.

20 SCOTT JOHNSTON: Thank you, Mr. Chairman.
21 Scott Johnston for the record. A little history on
22 how the II-to-I upgrade academy was implemented in
23 the state and this dates back approximately early
24 2000 -- 2000, 2004, when DPS was first formed, where
25 it came together and was formed as an entity by

1 itself, and they're now comprised of officers that
2 are category I and category II. And there was no
3 mechanism to bring them up, the IIs up to a category
4 I, being as that agency by statute is a category I
5 agency. And it created a dilemma of having to train
6 somewhere close to 100 officers, put them back
7 through an academy.

8 So, DPS came to the Commission at that
9 time at a workshop and requested for that issue to
10 be brought to the table and, subsequently, that's
11 when this category II-to-I upgrade was established.
12 And it was a great tool intended to help a category
13 I agency that was in that kind of a boat where they
14 had II and I officers and it was very successful.

15 DPS was very instrumental statewide. They
16 provided the training up north and they had a
17 program down south which, once they started getting
18 their DPS officers up to speed with category I, they
19 opened it up to agencies that might have the same
20 type of dilemma that here's an opportunity before we
21 stop providing this training. And somewhere around
22 2008, June of 2008, is when DPS pretty much stopped
23 their II-to-I upgrade. They were successful,
24 everybody was cat I and wanted to be cat Is and
25 that's all they're doing now.

1 As a result, during that time from about,
2 just before DPS stopped their program, there were
3 only -- there were very few agencies that came on
4 board and started doing the same thing. Eighth
5 Judicial District Court, from 2009 to 2010 got a
6 program certified. And part of that came as a
7 result of an NRS change that said that the District
8 Court judges could put in their courts bailiffs or
9 marshals. It wasn't an "and," it was an "or." And
10 so the bailiffs who were category II wanted to get
11 the upgrade so they would be recognized as cat I,
12 which marshals are cat I. So, that was taking place
13 and that was a good legitimate reason.

14 Las Vegas Law Enforcement Academy
15 established a II-to-I upgrade from 2012 to 2013. I
16 believe that was the Las Vegas Constable's Office.
17 Had that one put into place and that lasted for one
18 year and there were some politics behind that
19 academy as well as down there and, subsequently,
20 they voluntarily shut down their academies and
21 they're no longer in business.

22 The only one that's remaining is Silver
23 State Law Enforcement Academy, I believe it's ran by
24 Laughlin Constable's Office, and that became active
25 in 2013 and they're the only one still providing

1 training. Most of the officers that are being
2 trained under that are category II. They're tied to
3 a constable's office or they're bailiffs and they're
4 otherwise in a category II agency to begin with.
5 So, that agency is providing it for profit for
6 whatever reason. It's irrelevant really, I guess,
7 but we're not seeing a big turnaround where they're
8 actually going to category I agencies or even come
9 from one and they're trying to upgrade from a II to
10 I. Very few.

11 In the life of the category II program,
12 there's only been approximately 169, maybe 175
13 officers that are trained and two-thirds of those
14 was Department of Public Safety, somewhere in the
15 neighborhood of -- they had a 100 officers that they
16 had to train; that was their initial assessment.

17 So, we're not seeing a real need out there
18 and that's why we want to bring it before the
19 Commission, their workshop, the feasibility of
20 repealing this NAC in that it is no longer providing
21 a very efficient service to the law enforcement
22 community out there. And I would defer for any
23 comment from Mr. Clark or any of the Commissioners
24 on it for discussion.

25 RONALD PIERINI: Okay. Do the

1 Commissioners have any questions on that? Let me
2 ask you a couple of questions, one of which is that
3 is there -- in your professional opinion, is there
4 more people out there looking at -- that are a II
5 that want to go to I and is there a big number of
6 that that is going to be affected by this?

7 SCOTT JOHNSTON: The people that are going
8 from category II to I are in a category II agency
9 that has no need because -- is not required by NRS
10 to be trained to a category I standard. It would
11 just be merely because they would like to and maybe
12 make themselves marketable to move on.

13 RONALD PIERINI: Yeah. And that's what I
14 was thinking about is if you had a II and then, you
15 know what, I want to go work for a sheriff's office
16 and I need a I, that means what I'm hearing out of
17 this is that, basically, you're going to have to
18 start with a basic POST academy right from the
19 beginning.

20 SCOTT JOHNSTON: That's correct.

21 RONALD PIERINI: And do all the 600-hour
22 plus event where they've already taken probably two-
23 thirds of it already. Is that fair?

24 SCOTT JOHNSTON: That's fair.

25 RONALD PIERINI: And then, so, the last,

1 if I recall right, about two weeks or is it two
2 weeks additional training, I think, for IIs to go to
3 a I, I think it is in the academy?

4 SCOTT JOHNSTON: It's 280 hours minimum.

5 RONALD PIERINI: Okay. So, are we doing a
6 disservice for those people that want to do that?
7 And what I'm also hearing, though, is there's not
8 very much of an opportunity to have that 280 hours
9 academy to get that up to a I. There may not be the
10 numbers, there may not even be a company, there may
11 not be anything to be able to do that because POST
12 does not do that, right?

13 SCOTT JOHNSTON: That's correct.

14 RONALD PIERINI: So, I guess what I'm
15 saying is is that is this really needed to be done
16 in case there is people that want to do that and
17 they can get enough numbers to allow that to happen.
18 Do we really want to stop it now or can -- should we
19 move forward with the idea that it's still that kind
20 of a concept that can happen and to help a few
21 people? I don't know. That's a question I have.

22 ANTHONY DEMEO: Mr. Chair, I appreciate
23 that. Tony DeMeo for the record. That's the same
24 dilemma we have with category IIIs that want to
25 become a category I, become more marketable, and

1 they don't have an academy for that. And, really,
2 if you go into an agency and if you -- especially,
3 if you're looking at a future career, I would think
4 that you would make yourself go to a category I from
5 the beginning, not necessarily, go to a category II
6 academy. And so, in my opinion, I think that the
7 career choice that the person makes is the career
8 choice that person makes because the biggest dilemma
9 for us seems to be when we have someone at a
10 detention that has already met the requirements,
11 have those hours for detention, they can't -- they
12 can't step up and go to -- cover up those hours they
13 need to get a category I. We have to put them back
14 through a whole new academy again.

15 RONALD PIERINI: And I understand that,
16 Tony, but I do know that a III is way different than
17 a II and a I. And a III is basically in dealing
18 with a jail facility, which has a different agenda
19 than that of the IIs and the Is. And what I'm
20 saying is the IIs always is -- that wants to get a
21 II or their agency is saying we're only going to
22 send you for this because that's all I have. You
23 know, that's what my organization has is a II, I
24 don't need a I, and they don't have much choice.
25 They can't stay for that extra 280 hours or whatever

1 it is. I guess what I'm trying to say is that
2 somebody that wants to move up in his career may not
3 have ever had the choice to go to a I. This is the
4 II and this is what my employer says I got to do and
5 I did that and it's over with and I couldn't go on
6 to get a I, because I'm not allowed to do that by my
7 administrator. So, I guess what I'm trying to say
8 is do we -- do we really need to have this changed
9 if there is an opportunity for people that want to
10 go into a different organization with the ability to
11 have a I? And what does that save? It saves a lot.
12 It saves for an agency that says, well, you're a II,
13 but I'm going to have to send you all over from the
14 basic academy from a I and I'm going to lose you for
15 600 hours, where instead, I might only have 280
16 hours to worry about. Don't know if I'm making
17 sense.

18 ANTHONY DEMEO: And I -- Tony DeMeo for
19 the record. I agree, Mr. Chair. The issues I --
20 from statistics that we have in the almost, what,
21 14, I don't know how many years this program's been
22 in existence from the beginning, majority of the
23 people that upgraded were from DPS because of the
24 reorganization. The other side is hasn't been many
25 people from the category II go to category I, there

1 hasn't been that many according to the statistics
2 that we've been getting and the matter of
3 availability for that would actually, you know, for
4 an outside agency to do that, to send them to
5 another academy, doesn't seem to be the, you know,
6 enough surge of candidates for that. The numbers
7 are very few. So, what we'd have to look at POST is
8 is it's -- for it to -- for something that's
9 underutilized to have this statutory -- this
10 regulation out there. Just to dissolve it and, you
11 know, and that have somebody, as I understand from
12 the group, have their agency send them to another
13 academy, I agree. I mean, we've had category IIs
14 that had stepped up to category Is, but those
15 numbers for us, they can -- the agencies are very
16 few and I had, I think, one, maybe one or two since
17 I've been with the Sheriff's Office, so.

18 RONALD PIERINI: Okay. And then what was
19 the last time that you had some of those? That was
20 in 2013?

21 SCOTT JOHNSTON: Correct, 2013.

22 RONALD PIERINI: And how many people went
23 through that, approximately?

24 SCOTT JOHNSTON: Approximately, maybe 15.

25 RONALD PIERINI: Okay.

1 SCOTT JOHNSTON: At the most.

2 RONALD PIERINI: Thank you, Scott.

3 SCOTT JOHNSTON: Not big schools. Most of
4 the program that's -- well, all of the program
5 that's run by Silver State Law Enforcement is an
6 extended format, nights and weekends, to accommodate
7 the category II officer who's working, which
8 actually is a good business plan model to use or to
9 fulfill those requirements.

10 TROY TANNER: I just had a quick comment.
11 Troy Tanner for the record. I helped start the
12 Desert Regional Academy. It used to be CSN's
13 academy in '95. And I know it was a concern of the
14 agencies that had cat IIs because they didn't like
15 the idea of them attending the entire academies.
16 They would send them home after ten weeks when it
17 was a 20-week academy, because they'd lose all their
18 employees by the end of the academy to other
19 agencies because now they're cat I certified, so
20 they would test for the agencies out there, so it
21 was a hot topic.

22 And I know they -- the directors at that
23 time or the heads of those agencies were a cat II
24 were against them going over the ten weeks because
25 they'd lose all their employees that they invested

1 their time and testing into. So, we've had
2 employees in the past and, of course, they
3 (unintelligible) academy. We've sent a couple over
4 the years, probably two, maybe, over the last 15
5 years. And when they go through the entire academy,
6 POST [sic] I, so we've had those come up and they
7 pick their field like I think the other sheriff
8 said. They pick their field when they come into it,
9 so, you know, my stance or point is I think you pick
10 your job when you come in, whether it's a cat II, I
11 or III, you know, in corrections, so we know what to
12 expect as far as academy length. Well, I just
13 wanted to add that.

14 RONALD PIERINI: Thanks Chief. Anybody
15 else like to make any comments? Okay. To the
16 public, if anybody here would like to say something.
17 Please. First, say your name and your agency.

18 RICK HENRY: Yes. Rick Henry representing
19 Silver State Law Enforcement Academy.

20 JOHN CARTER (ph): John Carter, Silver
21 State Law Enforcement Academy. Thank you so much
22 for this hearing, if it pleases the Commission. I
23 just wanted to address something that was said a
24 little earlier regarding the issue of certificates
25 and it kind of was a segue going into what I was

1 going to say. The pursuit of education, right, for
2 someone, not only just for an officer to increase
3 their education and go from a basic and intermediate
4 to an advanced. A category II to I for a working
5 officer that's in a cat II agency that wants to be -
6 - change their career path and go into a category I
7 to eliminate the -- an avenue or a vehicle for them
8 to get there seems to be, at least at this point,
9 maybe slightly premature.

10 Ultimately, I feel, and you might think
11 that the -- that this problem will be an
12 autocorrecting problem, eventually those cat II
13 agencies will require officers that are coming in to
14 be cat Is. So, ultimately, the cat II-to-I agency
15 upgrade will eventually become unnecessary.

16 But, as you had mentioned, sir, there's
17 still quite a few agencies out there that have cat
18 IIs that would eventually require them to be cat I.
19 As it states in NRS 3.310, Subsection 10, "A person
20 appointed to be a deputy marshal for a court
21 pursuant to Subsection 1 must be certified by the
22 Peace Officers' Standard and Training Commission as
23 a category I peace officer, not later than 18 months
24 after appointment."

25 So, it seems as if at this particular

1 juncture, that it slightly may be an undue amount of
2 pressure maybe for a particular officer, as well as
3 an agency and/or a county municipality to pay for an
4 officer to start from the beginning again, as you
5 had mentioned, and go through the entire cat I
6 process.

7 RICK HENRY: And it's interesting you
8 brought up how many that we brought to the II to Is.
9 I would like to mention a few of the agencies that
10 have sent their officers through us: Las Vegas
11 Marshals, II to I upgrade; Clark County marshals,
12 Las Vegas marshals, Boulder City, two out of Nye
13 County, one state DMV, the Las Vegas constables, the
14 DA's office, Las Vegas/Laughlin constables, NDOC
15 from a III to a II -- (unintelligible) three II to
16 Is and the City of Henderson City Attorney's Office.
17 They get their cat IIs all the way to their cat Is.

18 It's like we're just not doing anything.
19 We have all of these officers that are coming in;
20 they're doing it on their own time. They're paying
21 for it on their own -- except for the agencies, they
22 pay their overtime and they're also paying for the
23 academy. They take care of all that on their own.
24 The agencies pay for it and then we have our non-
25 affiliates that come in that pay for everything on

1 their own. And while they work during the day as
2 officers, they do it at night time, trying to get
3 ahead. If an officer is a category III, the only
4 way he can be a cat I is to get hired with an
5 agency, correct, and put himself through the -- and
6 they have to be put through the academy. Focusing,
7 walking on a tightrope whether he loses his job at
8 NDOC, trying to get another job elsewhere, hoping he
9 does.

10 By this way, the NDOC officer, I think
11 we've roughly had somewhere close, I want to say,
12 don't quote me, about 15 officers from NDOC and the
13 Las Vegas -- excuse me, the Clark County marshals
14 because of 3.310. All marshals that are with a
15 judge must be -- does this -- it says must be --

16 JOHN CARTER: Must.

17 RICK HENRY: -- must be a category I
18 officer. And our II to I is 330 hours. No, I
19 apologize, 390 -- 390 hours. Yeah, 390 for the II
20 to I upgrade. It's far beyond the 280.

21 JOHN CARTER: We don't just meet the
22 minimum, we -- it's -- again, it's the pursuit of
23 education. It's -- and it's their desire to learn
24 more and be more valuable to either their agency or
25 move forward with their -- with a career change.

1 Also, as you very well know, category II
2 to I's, these are already -- these are already
3 affiliated officers, so these are truly guys that
4 are in law enforcement that are looking to better
5 themselves. And right now, this seems to be the
6 only vehicle to do it.

7 RICK HENRY: We have no -- then they --
8 and once again, I'll be redundant. They actually --
9 half the class pays for themselves. Even with an
10 agency, they'll come in. All the NDOC officers that
11 have come through have paid for all -- pay for all
12 their tuition on their own and their equipment and
13 their ammo. We take care of everything else for
14 them. But it's just something that we -- it just
15 wasn't an idea, we put this together, we took time,
16 the commander of the academy, 30 years law
17 enforcement, we took time. A lot of the officers
18 that train are officers on duty and officers that
19 have retired from Metro. We have three lieutenants,
20 one sergeant, all from Metro. We have North Las
21 Vegas and Henderson participating. These are off-
22 duty officers that do it -- are retired, I
23 apologize, retired officers. U.S. Marshal's office
24 comes in. Gaming Control Board comes in. The
25 County Coroner. We just don't -- we have people

1 actually do it for a living. We just have people
2 come in and read off the board. We do it the best
3 we can. Our scores -- I apologize, our score, our
4 POST testing scores, can elaborate on that. We're
5 in the 90 -- 80 and the 90s with our IIs and our II
6 to I's and our ones.

7 JOHN CARTER: And, just to go back, also,
8 because some of the things you were saying, sir,
9 just really resonated loudly with me. The lesson
10 plans are not a stagnant form. They're constantly
11 evolving, constantly bringing up new issues,
12 reinforcing -- rising way above the minimum
13 standards and pushing forward to getting real life -
14 - real experience, people teaching things, creating
15 new lesson plans, checking the work, checking the
16 laws and bringing it up to, you know, essentially, a
17 state-of-the-art type of educational process.

18 RICK HENRY: We recently did the upgrades
19 of all the performance objectives. We change all of
20 our lesson plans.

21 RONALD PIERINI: Okay. Well, what we're
22 trying to do is just see what we're going to justify
23 whether or not to let this go or to move forward,
24 so. Any of the Commissioners like to ask any
25 questions about these two gentlemen? Okay. Thank

1 you.

2 JOHN CARTER: Thank you, sir.

3 RICK HENRY: Thank you.

4 RONALD PIERINI: Do I have anybody in the
5 audience who would like to state anything more?

6 STEVE SILVA: Hi. Steve Silva again,
7 Senior Law Enforcement Specialist for the Division
8 of State Parks. We currently have one employee who
9 could benefit from a category II to a category I
10 upgrade. Mr. Clark and POST staff are familiar with
11 the situation. Left the academy due to a medical
12 condition after the -- at the end of the cat II
13 phase of the academy. Has since been able to, you
14 know, get the medical issue cleared and ready to
15 make a full return to duty, so. But we are -- we do
16 train our people to the cat I standard, so, you
17 know, the academy training that he completed was
18 fairly recent. If he could complete that additional
19 training to obtain his cat I certificate, which was
20 our original intent, instead of repeating the
21 academy, that would certainly be beneficial to us.

22 In the 34 years I've been at the Division,
23 we've only had a handful of people who have left the
24 academy for, you know, for medical issues or, you
25 know, things not related to performance. And in

1 each of those cases, previous cases, they left prior
2 to the conclusion of the cat II phase and, you know,
3 once we got them healthy, we reinserted them to day
4 one of the cat I academy.

5 So, in my time, or my tenure at State
6 Parks, this is the only time where that issue has
7 come up for us where we had an employee that we
8 would like to get him upgraded from his cat II to
9 his cat I certificate. But we requested and he took
10 the test and obtained his cat II certificate
11 because, basically, because we did not want to throw
12 away that previous training that he had already
13 completed, so.

14 RONALD PIERINI: Okay. Thank you.

15 STEVE SILVA: Thank you.

16 RONALD PIERINI: Anyone else in the
17 audience would like to make a comment on this topic?
18 Anything more from the Commissioners? Okay. We're
19 going to go on then to D -- oh, I'm sorry.

20 GARY SCHOFIELD: Mr. Commissioner, Gary
21 Schofield for the record, Las Vegas Metropolitan
22 Police Department. A question for the Attorney
23 General, 289.200 NAC and on the Section 3, it says,
24 "A. Is currently employed as a police officer or a
25 peace officer by any agency." Could you just

1 clarify for me? Does that mean they have to be
2 currently employed as a peace officer of any agency
3 before they attend an academy?

4 MICHAEL JENSEN: You have to let me turn
5 to the section first.

6 GARY SCHOFIELD: Sorry. Sorry, Mike.
7 Just want to throw in a curve ball to you.

8 RONALD PIERINI: That's why we have
9 attorneys. It's okay.

10 GARY SCHOFIELD: I know. They're used to
11 answering questions.

12 MICHAEL JENSEN: It's under 200, did you
13 say?

14 GARY SCHOFIELD: 289.200. It's under Tab
15 C that you provided us. Section 3, the proposed
16 strikeouts from 3A, "is currently employed as a
17 peace officer by any agency."

18 MICHAEL JENSEN: And your question is
19 whether or not to go through this training, they
20 have to be currently employed as a peace officer?

21 GARY SCHOFIELD: Under our regulations.

22 MICHAEL JENSEN: Yes.

23 GARY SCHOFIELD: So, the question that I'm
24 -- where I'm getting to is the concern is the non-
25 affiliates that go into this type of program and

1 they end up getting in a non-affiliated program and
2 they come back out and it's for a profit, not a
3 aspiration -- I mean, not any reflection on anybody
4 that's testified here locally. And then what
5 happens is they end up going through all this
6 training and the training is not worth anything by
7 the end of it. If I understand, this type of
8 program was designed to address some of the issues
9 with the DMV and other agencies that are being
10 referenced. It wasn't designed to be a standalone
11 program to try to bring in non-affiliated people and
12 they get this type of training.

13 MICHAEL JENSEN: Yeah, I can't answer that
14 question. I would take more of the rating than the
15 regulation. We'd probably have to go back and look
16 at more at the history of the regulation. As it
17 stands now, it appears to be a standalone vehicle to
18 obtain a II-to-I upgrade.

19 GARY SCHOFIELD: Or currently employed --
20 employees of law enforcement.

21 MICHAEL JENSEN: Peace officers, correct.

22 GARY SCHOFIELD: Okay. Thank you.

23 SCOTT JOHNSTON: Mr. Chairman, Scott
24 Johnston for the record. Just to clarify on what
25 Commissioner Schofield was talking about. To go to

1 attend the II to I and receive that upgrade and that
2 certification, yes, they must currently be a
3 category II peace officer with a category II basic
4 certificate. You can't just be a category II peace
5 officer who's not certified and go to the II-to-I
6 and take a shortcut up to a I. That's common sense,
7 but still it's not what they're saying. They must
8 have a category II basic and be employed as a
9 category II peace officer before they're allowed to
10 make that progression from II to I and get their
11 category I certification.

12 GARY SCHOFIELD: Gary Schofield for the
13 record. For Scott, understand, the key point that
14 I'm keying on is they must be currently employed.

15 SCOTT JOHNSTON: Correct.

16 GARY SCHOFIELD: So, if you had a category
17 II at another time and you're not currently
18 employed, you couldn't go and just upgrade to a
19 category I.

20 SCOTT JOHNSTON: That's correct.

21 GARY SCHOFIELD: And this was designed
22 from your earlier testimony to address a need within
23 the state.

24 SCOTT JOHNSTON: That's correct.

25 GARY SCHOFIELD: Thank you.

1 ANTHONY DEMEO: And Mr. Chair, for the
2 record, I'm glad he brought that up, because that
3 was a concern of mine what I've been hearing about
4 here in Nevada and as far as category II to category
5 I upgrade. Is that clause of regulation not being
6 followed?

7 SCOTT JOHNSTON: Okay.

8 ANTHONY DEMEO: And I appreciate Gary
9 bringing that up and I appreciate you bringing that
10 up. Thank you.

11 RONALD PIERINI: All right. Anybody else
12 have any comments? Okay. We're going to go onto D
13 as David. The Commissioners are considering NAC
14 289.260, which contains the requirements for a
15 management certificate, to remove or require of six
16 units of credit from an accredited college or
17 university. Scott?

18 SCOTT JOHNSTON: Thank you, Mr. Chairman.
19 Scott Johnston for the record. If you turn to tab D
20 as in David, you'll see this is a copy of the NAC
21 that we're talking about here. This is part of the
22 professional certificate restructuring, trying to
23 bring this in the line, in the final stages here,
24 with the intermediate and the advanced.

25 As Commissioners are aware, the

1 intermediate and advanced was recently restructured
2 and -- back in October of 2003, and part of this has
3 a recognition on the intermediate and advanced
4 certificate recognizing experience, time of service,
5 experience and higher education. Anything from a
6 bachelor's degree or higher on down to 15 college
7 credits or less, and a time in service from anywhere
8 from two years and 40 hours of training on down to
9 15 years and 400 hours of training. So, it's a
10 prorated scale, basically.

11 And with that in mind, by the time
12 somebody gets out to that time in their career where
13 they are in a mid-management or upper management
14 position, they probably already have college credits
15 of at least 15 or more or a lot of experience that's
16 leading up to this. And having six college credits
17 as a requirement in the management certificate, it
18 seems useless when you look at the bigger picture of
19 the intermediate and the advanced certificate as
20 you're moving up the ladder that has a pretty
21 significant higher education opportunities in it for
22 achieving those certificates.

23 The management -- and, also, the
24 management certificate is not required for a
25 management position, but it is one of the

1 certificates that can be earned while in a
2 management position. So, that's where your time of
3 service qualifying them to the intermediate and the
4 advanced certificate would more than fulfill this
5 requirement, more than likely. So, by removing that
6 language out there, puts this certificate in line
7 with intermediate advanced supervision now, finally
8 management. That's what we are proposing before the
9 Commission today.

10 RONALD PIERINI: Okay. Thank you, Scott.
11 Any questions from the Commission? Seeing none,
12 I'll go out to the public. Don't see any there
13 either. Okay. Any other public comments that
14 anybody would like to make before we go onto the
15 next one? All right. Going on the next one is the
16 public meeting hearing and what we're going to talk
17 about is in an LCB file, two of them. And I was
18 hoping that, Mike, you could explain to the public
19 and, also, the Commissioners what this is really all
20 about, where we started and where we are today.

21 MICHAEL JENSEN: Okay. This is the second
22 part of the rulemaking process that I talked about a
23 little bit earlier, because there's already been a
24 workshop held on these particular sections of the
25 regulations. And this is the time for the public to

1 comment on the regulations that have been submitted
2 to LCB and LCB's returned some proposed language
3 back to the Commission. And I believe that's in the
4 tab -- Scott can probably direct you to that quicker
5 than I can, that actual, those two files from LCB
6 and the actual language.

7 SCOTT JOHNSTON: Scott Johnston for the
8 record. You'll find that under the tab marked LCB
9 file number R121-13 and this is the language that
10 was drafted based on the workshop back in October of
11 2013 at the Commission meeting.

12 RONALD PIERINI: Okay. Good. Any
13 questions from the Commission? Thank you. We're
14 going to go onto Section 1, LCB file. Number is
15 R121-13 and then NAC 289.230, which establishes the
16 annual in-service training requirements to maintain
17 a basic certificate or reserve certificate as
18 follows. Change the current 24-hour training
19 requirement to 12 hours of an agency in-service
20 training and provide examples of topic areas for
21 training. I think, Scott, we got to go through all
22 these four, if you wouldn't mind explaining what
23 that meant.

24 SCOTT JOHNSTON: Okay. I'll go ahead and
25 read those into the record and then we can -- we'll

1 talk about each one after I read it. Would that be
2 easier?

3 RONALD PIERINI: Well, I was thinking, go
4 ahead and answer number 1, read that one, so. Okay.

5 SCOTT JOHNSTON: Okay. Number 1, the
6 current 24-hour requirement, what the proposal here
7 is is -- remember, keeping in mind the 24-hour
8 requirement was all inclusive of critical skills as
9 well as additional training hours. And the goal
10 here was to identify that you want the critical
11 skills to be a proficiency testing, which it is,
12 with no hours associated with it, you do it and
13 that's completed, and then 12 additional hours of
14 agency in-service training. In other words, you,
15 the agency administrator, will make the
16 determination as to what your agency will receive.
17 These don't have to be certified courses, but
18 strictly agency in-service training. And there was
19 some examples of such training, such as driving,
20 first aid, CPR, blood-borne pathogens, sexual
21 harassment and a caveat there that gives more
22 latitude to the agency was "or any other training
23 prescribed by the administrator of the employing
24 agency". And in doing so, you would be in
25 compliance with the annual training requirements to

1 maintain the basic certificate. This has nothing to
2 do with the professional development moving forward
3 into intermediate and advanced certificate. There's
4 other programs in place for those and this one is
5 strictly to maintain and keep that basic
6 certificate.

7 RONALD PIERINI: Okay. Thank you, Scott.
8 Any questions from the Commission? Seeing none, to
9 the public? All right. We're going to go onto
10 number 2. Remove the requirement that the Executive
11 Director must approve 12 hours of training provided
12 by a law enforcement agency.

13 SCOTT JOHNSTON: Scott Johnston for the
14 record. The current regulation requires that the
15 Executive Director approve training that agencies
16 want to use towards this. By removing that, it
17 turns all of that authority and discretion back to
18 the agency administrator to make that determination
19 of what is of value to their agency, based on what
20 their agency needs are.

21 RONALD PIERINI: Thank you. Any questions
22 from the Commission? How about the public? We'll
23 move onto number 3. Change the due date of an
24 agency reporting in-service training from before
25 January 31st following the year in which the

1 training was required to on or before December 31st
2 of the year in which the training was required.

3 SCOTT JOHNSTON: Scott Johnston for the
4 record. Currently, that we used to refer to this
5 training compliance as the ITR, an individual
6 training report, and over the past three years, our
7 technology has been getting to the point now where
8 agencies can submit training to us as it's completed
9 by the officers.

10 Back when the January 31st date was
11 originally established, it was to provide the
12 agencies with 30 days at the end of the reporting
13 year to compile the information and provide written
14 documentation to POST. That's no longer required,
15 being as they're electronically submitting the
16 information to us that is populating the database
17 and allowing for those records to be reviewed by us
18 and then send -- subsequently, sending a report to
19 the agency stating, here's what we show, is this
20 what you have, if there's anything missing, please
21 resubmit and we'll get these up to date and
22 everything will be in compliance. That's what this
23 proposal is is to bring that date back to the actual
24 end of the reporting year.

25 RONALD PIERINI: Okay. Thank you, Scott.

1 SCOTT JOHNSTON: Uh-huh (yes.)

2 RONALD PIERINI: Any questions from the
3 Commission? Seeing none, I'll go to the public.
4 Okay. And the last one is number 4 is to change the
5 course topic title of "defensive tactics" to "arrest
6 and control tactics."

7 SCOTT JOHNSTON: Scott Johnston for the
8 record. This is a housekeeping issue on the
9 training requirement. For the longest time, it said
10 "defensive tactics" and now the current term that is
11 common and being used is "arrest and control
12 tactics."

13 RONALD PIERINI: Thank you.

14 SCOTT JOHNSTON: Realign that with current
15 training.

16 RONALD PIERINI: Thank you, Scott. Any
17 questions from the Commission? I'll go out to the
18 public. All right. We're going to go onto Section
19 2, LCB file number R121-13 to amend 289.260, which
20 contains the requirements for a management
21 certificate, to remove the wording "in addition to
22 the units required for the intermediate and advanced
23 certificates."

24 SCOTT JOHNSTON: Thank you, Mr. Chairman.
25 Scott Johnston for the record. This is not to be

1 confused with what was discussed in the workshop on
2 the management certificate. They're two different
3 issues. This one is getting caught up first, so
4 this -- what we talked about earlier would go in --
5 would be looking at in the future. In this case,
6 the management certificate has the wording in it "in
7 addition to the units required for intermediate and
8 advanced," making reference to college units. Being
9 as you can obtain the advanced certificate and the
10 intermediate certificate, both with or without
11 college education, higher education, that creates a
12 conflict in terminology with the management
13 certificate, so removing that language would get
14 that portion of the management certificate in line
15 with the rest of the professional certificate
16 series.

17 RONALD PIERINI: Okay. Thank you, Scott.
18 Any questions from the Commissioners? I'll go out
19 to the public. Okay. Number 3 is any public
20 comment that you would like to present to us at this
21 time from the public. Okay. Let's take about a
22 ten-minute break and we'll get onto our regularly
23 scheduled meeting, which will be shortly. Okay.

24 POST.

25 RONALD PIERINI: Thank you. Well, we've

1 already had the privilege of giving Chief Coyne her
2 plaque and her thanks for the hard work with the
3 Commission, so we're going to go onto 3b, which is
4 we're welcoming Mr. Baalam here from Washoe County
5 Sheriff's Office and we're glad you're a new member
6 of ours.

7 DARIN BALAAM: Thank you.

8 RONALD PIERINI: And maybe you could take
9 a second to tell the rest of the Commissioners what
10 you do for a living, what's going on.

11 DARIN BALAAM: Okay. Commissioner Darin
12 Baalam. So, I've been with the Sheriff's Office
13 over 20 years. Been through all three bureaus.
14 Right now, I'm the Assistant Sheriff over Patrol and
15 Operations, Detectives. I came from Detectives as a
16 Captain in our Special Operations. Worked every,
17 like I said, every bureau, most every unit and I
18 look forward to sitting on this Commission. Thank
19 you for the privilege.

20 RONALD PIERINI: Our pleasure. I'm glad
21 you volunteered to do so. Welcome. What?

22 RICHARD CLARK: I have one on the Sheriffs
23 and Chiefs Meeting.

24 RONALD PIERINI: Oh, sure. If you'd like
25 to go ahead and bring that up, Mr. Clark.

1 RICHARD CLARK: Yeah, thank you. Mr.
2 Chairman, for the record, Dick Clark. I just wanted
3 to bring to light to all of the Commissioners. Some
4 of them were at the Sheriffs and Chiefs meeting.
5 But the Sheriffs and Chiefs, I just received a
6 letter today from the Sheriffs and Chiefs
7 Association and we have the president with us today,
8 Danny -- Chairman Danny Watts. But it is
9 recommending to the Governor that the Governor
10 appoint Dale Liebherr from the Attorney General's
11 Office to fill the Category II position on this
12 Commission and Dale Liebherr's with us today. So,
13 thank you -- or congratulations, Dale Liebherr.
14 That is merely a recommendation at this point. The
15 Governor will do the appointment.

16 RONALD PIERINI: We won't do anything to
17 say no or nothing. It'll be okay. You're going to
18 be good asset to us. Thank you. We'll go on to
19 Number 4 then. Discussion, public comment and,
20 also, for possible action. Approval of the minutes,
21 October 28, 2013 Workshop and, also, October 29,
22 2013 POST Commission Meeting. Hopefully, you take
23 the time to look at those and review those. Does
24 anybody have any errors or anything that you want to
25 correct? Okay. Then I'm looking for a motion,

1 please.

2 GARY SCHOFIELD: I'll make a motion to
3 approve. Gary Schofield for the record.

4 RONALD PIERINI: Thank you.

5 DAN WATTS: Dan Watts, second.

6 RONALD PIERINI: Thank you, Dan. Any
7 other discussion? All in favor?

8 COMMISSIONERS: Aye.

9 RONALD PIERINI: Anybody opposed? So
10 carried. Information Item. A presentation to be
11 given by Mr. Cage, Director of Military and
12 Veterans' Policy, Governor's Office, addressing the
13 transition of military credentialing standards of
14 certain professions, including law enforcement, into
15 civil sector credentialing. Go ahead.

16 CALEB CAGE: Good afternoon, Chairman and
17 members of the Commission. My name is Caleb Cage.
18 I'm the Director of Military and Veterans' Policy in
19 the Office of the Governor. I see some familiar
20 faces from Elko last week, so I'll keep my remarks
21 even more brief than they were there, out of respect
22 for your time and the agenda that you have.

23 Thank you again for the opportunity to
24 present to you and to be on your agenda today. This
25 is an informational item, as you know, and I'm sure

1 I can circle back with Director Clark or Director
2 Wright or any of you afterwards and follow up with
3 more information in due time.

4 So, just wanted to give a brief overview
5 of an initiative that's underway right now that the
6 Governor is going to ask for some action from this
7 Commission at some point here in the future.
8 Basically, I'm trying to not skip over the important
9 parts, but call out everything that you heard in
10 Elko last week as well.

11 So, over the next three years the United
12 States is anticipating 350,000 veterans returning
13 every year. That's nationwide, but we'll get our
14 share of those here in Nevada. Many of these folks
15 come out of the military with extensive training,
16 extensive schooling. Many of you here were in the
17 military yourselves and transitioned into civilian
18 law enforcement. There's a national effort right
19 now to translate to identify those skills that
20 military members, specifically, people who served in
21 combat arms, military police positions, what skills
22 carry over into -- could carry over into civilian
23 law enforcement.

24 We have received a grant from the National
25 Governors Association to do some work on what we

1 call licensure reciprocity to see what reciprocates
2 between civilian law enforcement and military law
3 enforcement. We know for sure that it's not a one-
4 to-one match. We've -- we're also studying licensed
5 practical nurses in the health care field and EMTs
6 throughout the state as well. Mr. Clark is on our
7 committee that we've put together to do this, to
8 carry it forward here.

9 And so what we are going to do in each one
10 of those sectors is going to be a different plan of
11 attack. Because of the very distinct requirements
12 for law enforcement professionals, the last thing we
13 want to do is say, here's what law enforcement needs
14 to do in order to help the military policeman become
15 a member of a civilian police force.

16 What we'd like to do instead is to have
17 the Commission look at some models that are out
18 there. Currently, Texas and Michigan, for instance,
19 have bridge programs in their POST training that
20 recognize things like marksmanship training and
21 things like that that recognize those reciprocal
22 training or parallel trainings with the military and
23 allow a person to come from military into civilian
24 law enforcement through a bridge program of some
25 sort.

1 We're not sure that that's what Nevada
2 needs. We're not sure that that's what Nevada
3 wants. What we'd like to do is have the Commission
4 look at those programs that are out there, see what
5 challenges exist, what opportunities exist and see
6 what sort of resources we could put towards
7 developing a program to develop precisely that sort
8 of bridge. So, that's my pitch, sir, and I'm open
9 to any questions you might have.

10 RONALD PIERINI: Thank you. Any
11 Commissioners have any questions? Okay. Well,
12 thank you very much.

13 CALEB CAGE: Thank you for your time.

14 RONALD PIERINI: Executive Director's
15 Report, Mr. Clark.

16 RICHARD CLARK: Thank you, Mr. Chairman.
17 I would like to just give an article that I got from
18 the Police Chief's Magazine here for February and
19 pass that out to all the Commissioners. It has to
20 do with police licensing in regard to revocations
21 and it's written by a Dr. Jurkanin from Tennessee
22 University, who's worked with IADLEST, the parent
23 organization for POST. He actually draws from the
24 survey that I had done when I was the president of
25 IADLEST in 2012.

1 It gives a pretty good clear overview of
2 what POST organizations should be, how they operate
3 nationally and, you know, the different states.
4 What -- he talks about the -- defining the
5 components of what professional licensing should be.
6 It talks about the misconduct for peace officers'
7 licensures that may be revoked or suspended.

8 I think it's just a nice article that the
9 Commissioners can review and see, you know, sort of
10 what it looks -- what your responsibilities look
11 like when projected nationally. So, it's an
12 interesting article that I thought you could benefit
13 from.

14 I'll just go over a quick, brief overview
15 of a few things. First, in item A, is the bureau
16 updates. We have an academy that's in session at
17 this time. We have 22 people, 22 cadets, that are
18 in session in their fifth week that will graduate on
19 May the 8th. They're doing well at this time. We,
20 also, hopefully, still have our commencement speaker
21 for May the 8th already selected. That is Director
22 Jim Wright. So, hopefully, unless he's got vacation
23 time planned or something. He got preempted by a
24 U.S. Senator last time when we had him scheduled, so
25 we're hoping to hang onto him for the next one if we

1 can keep him interested, I guess.

2 For the next bureau -- just looking at the
3 Professional Development Bureau, just a couple
4 things. This quarter, they're looking at the
5 management course curriculum revisions. They've got
6 46 e-learning courses that are available at this
7 time online. They have completed updates on all the
8 state certification exams, category I, category II
9 and the reserve exams are all completed.

10 They've also recently, the staff, has
11 hosted and staffed two first-line supervision
12 courses, one in Winnemucca where they had about 33
13 attendees that were starved for that opportunity, so
14 we provided that for them. And then, also, one
15 that's in Carson City that's taking place right now
16 that started on Monday.

17 Also, all of our forms that -- all of the
18 single points of contact deal with POST, all of
19 those are online and can be completed online, which
20 makes a great time and people savings for those
21 folks.

22 I'll move onto B, which is just talking
23 about budgetary issues. You know, I've cried the
24 budgetary woes, but just to give you some specifics,
25 the first quarter, we were \$27,000 down for court

1 assessment that we were supposed to get, but didn't
2 show up. Second quarter, we were down \$90,000. So,
3 that's caused us to go to the Budget Office and then
4 also we had a preliminary meeting with the
5 Governor's staff to look about -- at having a
6 meeting with the Governor himself. I've talked to
7 the President and Commissioner Dan Watts, President
8 of the Sheriffs and Chiefs Association, about the
9 Sheriffs and Chiefs meeting with the Governor to
10 support the POST budget.

11 We can't afford any more cuts. Not only
12 that, the things that we've been denied in the past,
13 we're not at a "want" situation, we're at a "need"
14 situation to continue to run a legitimate operation
15 and so, we just want to make that clear to the
16 Governor. So that, I think, the President or
17 Commissioner Watts is going to look at arranging
18 that meeting

19 Also, included, I think I've showed this
20 to you before. It's a six-year picture. It's just
21 a way in a picture form with graphs to show clearly
22 what our predicament is and I won't go back into
23 that to any depth. I think the clearest one is the
24 pie chart that shows the division of how court
25 assessments are divided and POST is pretty much last

1 on the list. So, we're -- definitely need, if
2 nothing else, to try and tie to the general fund, so
3 that when court assessments don't come in, that we
4 would be able to go back to interim finance and get
5 some assistance from the general fund. We're not
6 connected to that at this time, but there is avenues
7 during the next legislative session to make that
8 connection, so that we would be able to get bailed
9 out, if necessary. So, that's the budgetary issues.

10 On C, performance indicators, I won't go
11 into any detail with those. Those clearly show what
12 our performance indicators are and have been since
13 the last meeting.

14 On D, our -- the certificates that we have
15 approved and awarded since the last meeting:
16 basics, 57 cat Is, 15 cat IIs, 122 cat IIIs and
17 eight reserve, totaling 202 basic certificates
18 issued, 134 intermediate certificates issued, 107
19 advanced, 23 supervisory certificates, three
20 management, four executive and one instructor
21 certificate. We have also certified 140 courses
22 since the last meeting. Mr. Chairman, that would be
23 my report.

24 RONALD PIERINI: Okay. Thank you, Mr.
25 Clark. We're going to move to Number 7 and this is

1 discussion, public comment, and also for possible
2 action. We've already gone over this just in the
3 last hour, so we're going to read this again and
4 we'll hopefully look for a motion and discussion.

5 This is under NAC 289.230. Section 1 LCB
6 file number R121-13: Amend NAC 289, 230, which
7 establishes the annual in-service training
8 requirements to maintain a basic certificate or
9 reserve certificate. Number one -- and I'm going to
10 read 1, 2, 3 and 4 and then we can discuss that.

11 Change the current 24-hour training
12 requirement to 12 hours of agency in-service
13 training and provide examples of topic areas of
14 training. Number 2. Remove the requirement that
15 the Executive Director must approve 12 hours of
16 training provided by a law enforcement agency.
17 Number 3. Change the due date for an agency
18 reporting in-service training from before January
19 31st following the year in which the training was
20 required to on or before December 31st of the year
21 in which the training was required. And Number 4.
22 Change the course topic title of "defensive tactics"
23 to "arrest and control tactics."

24 So, I'm asking any of the Commissioners,
25 do you have any concerns or comments that you would

1 like to make on 1 through 4? Okay. Seeing none,
2 then I'll ask the public. Is there anybody in here
3 who would like to make a comment on that? Okay.
4 Looking for a motion.

5 ANTHONY DEMEO: Tony DeMeo, motion to
6 approve.

7 RONALD PIERINI: Thank you, Tony. Do I
8 have a second?

9 DAN WATTS: Dan Watts, second.

10 RONALD PIERINI: Thank you, Dan, for a
11 second. And any other discussion? All in favor?

12 COMMISSIONERS: Aye.

13 RONALD PIERINI: Anybody opposed? So
14 carried. Thank you. Under Section 2 LCB file no.
15 4121-13: Amendment 289.260, which contains the
16 requirements for a management certificate, to remove
17 the wording "in addition to the units required for
18 intermediate and advanced certificates." Do I have
19 any discussion from the Commissioners? Do I for the
20 public? Looking for a motion.

21 DAN WATTS: Dan Watts, motion to approve.

22 RONALD PIERINI: Thank you, Dan. I got a
23 motion.

24 DARIN BAALAM: Darin Baalam, second.

25 RONALD PIERINI: Thank you for a second.

1 Any other discussion? All in favor?

2 COMMISSIONERS: Aye.

3 RONALD PIERINI: Anybody opposed? So
4 carried. Number 8. Discussion, public comment, and
5 for possible action. The Commission to discuss and
6 possibly take action to continue the rulemaking
7 process to amend NAC 289.290, which establishes the
8 causes for the Commission to revoke, refuse or
9 suspend the certificate of a peace officer, to
10 include a provision authorizing the Commission to
11 revoke a peace officer's certificate based on a plea
12 of guilty to a felony or gross misdemeanor of
13 charges under circumstances where the court defers
14 entry of the judgment of conviction on the felony or
15 gross misdemeanor of charges. The regulation
16 changes are being considered in order to provide to
17 the Commission with the authority to take action
18 under circumstances where a peace officer enters a
19 guilty plea to a felony or gross misdemeanors, but
20 the court defers the judgment of a conviction on the
21 felony or gross misdemeanor charges.

22 So, what I'm looking at is do we want to
23 discuss anything on that yet? What we want to do is
24 that -- to either go forward with a rulemaking
25 process and -- for our next meeting and discuss it

1 more and look at the wording. What's the pleasure
2 of the Commission? Okay. Do we have any discussion
3 at all? I'd like to go out to the public and make
4 sure that we invite you, if you want to make any
5 comments on that. All right. Then I'll be looking
6 for a motion.

7 TROY TANNER: Troy Tanner. I'll make a
8 motion to move forward in the process and, I guess,
9 have the staff put together rulemaking.

10 RONALD PIERINI: Okay.

11 GARY SCHOFIELD: And Gary Schofield,
12 second.

13 RONALD PIERINI: Okay. We have a second.
14 Any other discussion? All in favor?

15 COMMISSIONERS: Aye.

16 RONALD PIERINI: Anybody opposed? So
17 carried. Number 9. Discussion, public comment, and
18 for possible action. The Commission will discuss
19 and possibly take action to continue the rulemaking
20 process to repeal NAC 289.280, the regulation
21 establishing the requirements for an Instructor
22 Certificate. Through the appeal of the regulation,
23 the Commission would discontinue issuance of a
24 Instructor Certificate. Do I have any of the
25 Commissioners who'd like to make comments, thoughts?

1 Seeing none, go to the public. Anybody want to make
2 any comments on that particular topic? Okay.

3 Looking for a motion. Looking for a motion.

4 ANTHONY DEMEO: Going once, going twice.

5 RONALD PIERINI: Hello, anybody there?

6 ANTHONY DEMEO: Tony DeMeo for the
7 record.

8 RONALD PIERINI: Thanks, Tony.

9 ANTHONY DEMEO: Make a motion to approve.

10 RONALD PIERINI: Thank you.

11 DARIN BAALAM: Darin Baalam, second

12 RONALD PIERINI: Thank you, Mr. Baalam.

13 Any other discussion? All in favor?

14 COMMISSIONERS: Aye.

15 RONALD PIERINI: Anybody opposed? So
16 carried. Number 10. Discussion, public comment,
17 and for possible action. The Commission will
18 discuss and possibly take action to continue the
19 rulemaking process to consider appealing NAC
20 289.200(3), the regulation establishing to expedite
21 a process of a peace officer holding a category II
22 basic certificate to obtain a category I basic
23 certificate upon successful completion of a training
24 course approved by the Executive Director that
25 consists of a minimum of 280 hours of course topics.

1 Through the repeal of the regulation, the Commission
2 would no longer provide the process for a category
3 II peace officer to upgrade to a category I
4 certificate. Do I have any discussion from the
5 Commissioners?

6 TROY TANNER: Troy Tanner. I have a
7 question for the record.

8 RONALD PIERINI: Sure.

9 TROY TANNER: The 280 hours, are you going
10 to count any of the hours on the previous category
11 II to move to the category I?

12 SCOTT JOHNSTON: Scott Johnston for the
13 record. The II-to-I upgrade was based on what the
14 minimum standards for a category II is, which is 200
15 hours, and then this 280 bridges that gap to the
16 minimum, 480, which is the standard for a category
17 I.

18 TROY TANNER: Okay.

19 RONALD PIERINI: Any other questions or
20 comments from the Commission?

21 DAN WATTS: Dan Watts for the record.
22 Looking into this -- and I really think we need to
23 look at it seriously, as you were saying before,
24 that we are going to need to keep something open
25 here for people to continue their education that

1 it's not completely taken away from the agency. I
2 think we're stifling people if we hold them back. I
3 just kind of wanted to make that comment.

4 RONALD PIERINI: Thank you, Dan. Tony?

5 ANTHONY DEMEO: Mr. Chair, Tony DeMeo for
6 the record. I don't know, I'm very -- have a lot of
7 issues of bringing this forward because I don't know
8 what the history was, why this became an issue all
9 of a sudden. Because I have to agree, you know,
10 I've played devil's advocate before, but I have to
11 agree -- how do we stifle somebody's education if
12 they want to progress in the law enforcement field?
13 And I don't know if maybe if there was something
14 within the statute, this statute or this regulation
15 itself, that seems to be causing some people some
16 issues because some -- maybe some people are getting
17 asked -- and no reflection to people that we have
18 referenced in that, the Nevada State Academy, they
19 seem to run a pretty good operation.

20 But what brought this forward? In some
21 respects, I hate to -- like I have the same -- I
22 have the same concerns, as that with stifling
23 somebody's ability to move forward in the law
24 enforcement field when they get an opening in the
25 door and then, all of a sudden, they realize that I

1 want to go further in my law enforcement career.

2 You know, detention is detention. I
3 always thought that -- you know, there's never any
4 way to bring them into the fold, so to speak, into a
5 category II to I, but I hate to think that we have -
6 - we actually have any avenue for people to progress
7 in law enforcement and maybe we might be closing the
8 door on that.

9 And that's concerns I have. I know
10 there's twists in between with this particular
11 regulation. You know, especially, when this
12 information came to my attention that -- but we can
13 always address that within POST, but, so. And I
14 appreciate the opportunity, Mr. Chair.

15 RONALD PIERINI: Thank you very much, sir.

16 ANTHONY DEMEO: Thank you.

17 GARY SCHOFIELD: Mr. Chair, thank you for
18 the opportunity. Gary Schofield for the record. My
19 concerns are those individuals that are not
20 affiliated currently with a law enforcement agency.
21 So, in the rulemaking process, it would be just my
22 recommendation or what I'd be looking for is how do
23 we address that.

24 Without getting into names and everything
25 else, there have been some issues involving

1 individuals that are going to another academy that's
2 no longer affiliated and by the time that was done,
3 those individuals were no longer able to -- if
4 you're going to have an academy and have people pay
5 for that academy and then halfway through that,
6 suddenly an academy that was sanctioned by us as a
7 Commission stops operation, what do we do for those
8 individuals?

9 And if the need originally, if I had what
10 Mr. Johnston had said, was to address an issue with
11 the Department of Motor Vehicles when DPS was put
12 together years ago, I understand that. From the
13 testimony of the individuals that are running a
14 current academy, that's all legitimate.

15 But making sure that we have in our rules
16 and regulations a clear understanding to folks that
17 this is not -- does not open the door for everybody
18 to start opening up these academies, so that when
19 they leave with a certificate, they walk onto some
20 the smaller agencies -- and the Las Vegas
21 Metropolitan Police Department is a large agency,
22 and I always take that into consideration in my
23 background, but when you're walking in with a
24 category I certificate, the assumption is that we
25 have maintained a high standard.

1 There's a difference between the standard
2 that POST has set for reserve officers and there's a
3 difference between category IIIs and category IIs
4 and category Is by a lot of people that came before
5 us for a reason. And the original intent of this
6 from their testimony was to address DPS issues,
7 because of the nature of that operation. That has
8 been addressed. There is still a need out there in
9 other places and other agencies. That will be
10 addressed.

11 I'm not against anybody going out and
12 trying to further their career, but we have to be
13 cautionary about how this is being done. It was
14 done inappropriately, in my personal opinion, in
15 another organization. When it became public light,
16 the POST Commission, you know, cast light upon what
17 we're doing and we've got to be very careful about
18 maintaining the standards.

19 The POST Commission over several years of
20 my career here has continued to move the ball
21 forward. And we've got to be careful and we have to
22 have strict control either by the Commission or by
23 the Director, to make sure that those folks that are
24 offering this to folks were truly satisfying a need,
25 as the need was when DPS was put together by an act

1 that the legislature and signed into law by the
2 Governor.

3 RONALD PIERINI: Thank you. Any other
4 comments? All right. Ask the public. Is there
5 anybody in public who would like to address this
6 topic again?

7 RICK HENRY: Rick Henry for the record,
8 Silver State Law Enforcement Academy. Commission,
9 with respect, allow me to tell you a few - so, there
10 -- so you show there is a need, so you understand.
11 Fifteen Clark County marshals, one North Las Vegas
12 marshal, one Las Vegas marshal, Boulder City
13 marshal, two Nye County, State DMV, 12 NDOC; the
14 need is there. We would not -- we don't do this
15 because we enjoy it. The need is out there for the
16 --

17 RON PIERINI: You don't enjoy it?

18 RICK HENRY: At all. It's a lot of fun,
19 though. It's a lot work. It is a lot of work, but
20 we work hard at it, a lot of time, a lot of effort.
21 Our academy, just so you understand, is Tuesday,
22 Wednesday, Thursdays from 6:00 to 10:00 at night and
23 all day Saturday and occasional Sundays and occasion
24 Fridays. It's in their calendar. We work very hard
25 at it.

1 But I will tell you that we'll answer any
2 questions you have about the academy -- John --if
3 you would please ask us. I want to inform you,
4 because I know you all do not understand how we run
5 the academy. We've had other officers come in and
6 have us explain to you how the academy works.

7 It's the individuals will get a cat I or a
8 cat II. The II-to-I upgrade is through POST. You
9 have a form that they fill out. Has to be signed
10 off by their agency and by them that allow -- and go
11 through POST, it's signed off through POST and then
12 we get it, so nobody can sneak in underneath the II-
13 to-I. The agency has to sign off on it. POST has
14 to sign off on it, once again. So, there's no
15 tricks here.

16 JOHN CARTER: John Carter, Silver State
17 Law Enforcement Academy. Thank you. Commissioner
18 Schofield, I think the things that you just brought
19 up are -- have a tremendous amount of merit and
20 certainly need to be looked at. I do ask, though,
21 that we not be judged based on other people's
22 performance and other people's shortcomings. In
23 fact, we take that very seriously that private
24 academies, just to say for lack of a better term,
25 have been -- their reputation and value has been

1 degraded slightly by past performances on other
2 agencies and other academies.

3 We really, again, strive to create a
4 better, a much better environment. We far exceed
5 the 280 hours by 390 hours. We would even make it
6 more, if it wasn't for time constraints for working
7 officers.

8 And just to reiterate and just to really
9 make it very clear, in order to do a II-to-I, it's
10 not a standalone process. They must be hired by an
11 agency, they must be affiliate, they must want --
12 you know, and they must meet all the standards.
13 They go through PPFT, the POST physical fitness
14 test. They need to maintain grade point averages
15 that, for our academy, is 80 percent, whereas POST
16 is 70 percent. They have to maintain, you know,
17 fire arms proficiency. They're getting graded on
18 practicals by career law enforcement, retired Metro
19 officers, and retired North Las Vegas.

20 These are not just instructors that come
21 off, you know, that come off the street. These are
22 actual -- these are working law enforcement. We
23 have instructors that have -- certain instructors
24 have over 40 years of law enforcement, 40 years
25 flexi training, 40 years NYPD, I mean, from a whole

1 host of different agencies nationwide that are
2 grading these recruits on practicals, on
3 handcuffing, on baton, on OC, on less-lethal, on all
4 these different things. And our bar is set
5 extremely high.

6 We hope to, over the years, really come
7 through and show you just how dedicated we are to
8 providing a tremendous amount of higher education
9 for those working officers.

10 RICK HENRY: And one more thing and then
11 we'll stop. The -- we're not a private academy. We
12 have an HC number. The reason that we have an LLC
13 is because we have to show where our funds go and
14 our funds pay for everything.

15 A recruit comes in as a category I, 720
16 hours. It's a lot of work. They work during the
17 day as an officer, take care of their families, and
18 come to school at night. They train. It's a high-
19 stress academy. We press them. It's \$5,000. We
20 pay for everything for them. The only thing they
21 have to purchase, if they don't have boots,
22 (inaudible), they have -- other than that is their
23 ammo. We take care of everything for them. There's
24 nothing -- they don't have to run out and buy
25 uniforms. They don't have to run out and buy

1 anything. We take care of it all. ASP is our
2 partner. They take care of all of our handcuffing,
3 all our batons, it's all given to them.

4 RONALD PIERINI: Okay. Well, we
5 understand all that.

6 RICK HENRY: No, but we're just trying to
7 allow you to, because no -- a lot of you have not
8 met us before and you -- we represent you and you
9 are our bosses, basically. And I don't want to take
10 up the time selling the product; we're kind of
11 explaining it to you.

12 RONALD PIERINI: I understand that.

13 RICK HENRY: Okay.

14 RONALD PIERINI: Okay. Anything else
15 (inaudible)? Okay. Is there anybody else from the
16 public that would like to mention anything here?
17 Okay. Thank you. All right. So, now I'm looking
18 for a motion. What direction, what are we -- what
19 are we doing?

20 GARY SCHOFIELD: Gary Schofield. I make a
21 motion that we continue with the rulemaking process.

22 RONALD PIERINI: Okay. Do I have a
23 second?

24 TROY TANNER: Troy Tanner with a second.

25 RONALD PIERINI: Okay. Any discussion?

1 All in favor?

2 COMMISSIONERS: Aye.

3 RONALD PIERINI: Anybody opposed? So
4 carried. Number 11. Discussion, public comment,
5 and for possible action. The Commission will
6 discuss and possibly take action to continue the
7 rulemaking process to amend 289.260, which contains
8 the requirements of management certificates to
9 remove the required six units of credit from an
10 accredited college or university. Do we have any
11 comments from the Commission? Seeing none, how
12 about the public? Looking for a motion.

13 DAN WATTS: Dan Watts for the record. I
14 make a motion.

15 RONALD PIERINI: Thank you, Dan. Do I
16 have a second?

17 DARIN BAALAM: Darin Baalam, second.

18 RONALD PIERINI: Thank you, sir. Any
19 other discussion? However, you know, I didn't --
20 oh, Mr. -- did I ask the public?

21 UNIDENTIFIED MALE SPEAKER: No.

22 UNIDENTIFIED MALE SPEAKER: Time out.

23 RONALD PIERINI: Anybody from the public
24 would like to make a comment? Okay. All in favor?

25 COMMISSIONERS: Aye.

1 RONALD PIERINI: Anybody opposed? So
2 carried. Okay. We're going to go onto Number 12.
3 The hearing pursuant to NAC 289.290(1)(g). Revoke
4 Eugenio and I do not know how you would say his
5 middle name -- E-L-I-Z-A-R-R-A-R-A-S -- I think that
6 -- hopefully, that Mr. Jensen can do a better job
7 with the names -- Dimas', formerly a Nevada
8 Department of Corrections, certification based on a
9 felony conviction for Misconduct of a Public
10 Officer. And that's a category III certificate that
11 we're talking about and so, Mike, you're up.

12 MICHAEL JENSEN: Thank you, Mr. Chairman.
13 Mike Jensen for the record. This is -- and I can't
14 pronounce that any better than you, Mr. Chairman, so
15 we'll -- I'll use last names on the hearing this
16 morning. This is the time and place set for the
17 hearing to consider -- for the Commission to
18 consider whether or not to revoke the Category III
19 Basic Certificate of Mr. Dimas. The hearing is
20 being held pursuant to NRS 289.510, which provides
21 authority for the Commission to adopt regulations,
22 which establish standards for both certification and
23 decertification of peace officers. Pursuant to that
24 authority, the Commission has adopted NAC 289.290,
25 which establishes the causes for the Commission to

1 revoke a peace officer's POST certification. This
2 morning, the section of NAC 289.290 that we're
3 working under is (1)(g), which provides for the
4 revocation of a POST certificate for a felony
5 conviction.

6 If you'll look behind agenda item number
7 12, there are a series of exhibits, primarily,
8 certified copies of both POST documentation as well
9 as court documentation that I would ask that the
10 Chairman admit into evidence in support of any
11 action that might be taken today and would then go
12 through those exhibits.

13 Starting with Exhibit A, that's the -- our
14 second amended Notice of Intent to Revoke.
15 Essentially, that notice was changed because the
16 location for the meeting changed a few times since
17 we had to re-notice this particular hearing.
18 Through that notice, we let Mr. Dimas know that the
19 POST Commission, pursuant to both its own statutes
20 and regulations as well as the Open Meeting Law,
21 that we intended to initiate action to revoke his
22 POST certificate. It informs him of the
23 convictions, which have led to that potential
24 action. In this case, it's a count -- Misconduct of
25 a Public Officer, which is a violation of NRS

1 197,110, a category E felony. This conviction comes
2 out of Clark County, Nevada.

3 We also informed Mr. Dimas of his right to
4 appear at this hearing and to contest the revocation
5 action that may occur, giving him the opportunity to
6 request, the opportunity to appear today, informing
7 him of both the date, time and location of this
8 hearing today. And it's my understanding that he
9 has not informed the Commission that he would appear
10 today and I don't believe that he's in the audience
11 today either. We also informed him of the scope of
12 this hearing today, which is whether or not his POST
13 certification should be revoked for a felony
14 conviction.

15 The next document, which is Exhibit B, is
16 the proof of service on Mr. Dimas, which occurred on
17 February 13, 2014. That Notice of Intent to Revoke
18 was served on him.

19 Exhibit C is the personnel action report,
20 which indicates that Mr. Dimas was discharged from
21 his peace officer position in April of 2013. This
22 particular form doesn't recommend any particular
23 action that the agency is recommending.

24 Exhibit D is the basic certificate, which
25 is the subject of the hearing today.

1 We now get into the court documents.
2 Exhibit E is a certified copy of the information
3 which charged Mr. Dimas with a count of Misconduct
4 of a Public Officer, a category E felony. It also
5 sets out briefly the factual basis for that charge,
6 which is using his position as a corrections officer
7 employed by the State of Nevada to coerce an inmate
8 to engage in prohibited sexual activity with him
9 while under his management in prison in exchange for
10 money or other private benefits.

11 The next document, Exhibit F, is his
12 guilty plea agreement where he agrees to plead
13 guilty to that charge of Misconduct of a Public
14 Officer.

15 The next exhibit is our -- is the Judgment
16 of Conviction, which is the primary document for
17 this particular hearing, showing that Mr. Dimas was
18 convicted -- has a conviction pursuant to his guilty
19 plea for Misconduct of a Public Officer as described
20 in the information that I just talked about and
21 setting his sentence through that document.

22 Based on both the seriousness of the
23 conduct and the fact that he has been -- has
24 received a felony conviction, it's the
25 recommendation that his POST certification be

1 revoked.

2 RONALD PIERINI: Thank you, Mr. Jensen.

3 Those documents are approved.

4 MICHAEL JENSEN: Thanks.

5 RONALD PIERINI: All right. Do we have

6 any other -- any questions from any of the

7 Commissioners? Do we have anybody in the public

8 that would like to make a comment on this topic?

9 Looking for a motion.

10 ANTHONY DEMEO: Tony DeMeo for the record.

11 I make a motion that we revoke the Category III

12 Certificate of Mr. Dimas.

13 RONALD PIERINI: Thank you, Tony. Second?

14 DAN WATTS: Dan Watts, second.

15 RONALD PIERINI: Thanks, Dan. Any other

16 discussion? All in favor?

17 COMMISSIONERS: Aye.

18 RONALD PIERINI: Anybody opposed? So

19 carried. Number 13. This is discussion, public

20 comment, and for possible action. Hearing pursuant

21 to NAC 289.290(1)(g) on the revoking that Darryl

22 Thomas Terry's, former of the Clark County Juvenile

23 Justice Services, certification based on a felony

24 conviction for Misconduct of a Peace Officer. The

25 Commission will decide whether or not Mr. Terry's

1 Category II Basic Certificate is to be revoked. So,
2 Mr. Jensen.

3 MICHAEL JENSEN: Yes. Thank you, Mr.
4 Chairman. I ask to you to bear with me today.
5 We've got three of these to go through -- hearings.
6 This is the second of the three. This is the time
7 and place set for the hearing with regard to the
8 potential revocation of Mr. Terry's POST
9 certification, a Category II Basic Certificate.
10 This hearing's proceeding under the same statute and
11 regulation that I referred to in the previous
12 hearing, specifically, a revocation for a felony
13 conviction under 289.290(1)(g). If you look behind
14 tab 13, you'll see, again, a series of exhibits in
15 one of the ones you just looked at.

16 The first, which is marked as Exhibit A,
17 is the second amended Notice of Intent to Revoke
18 that was sent to Mr. Terry. Again, that was brought
19 -- that was sent to him pursuant to both the Open
20 Meeting Law and the Commission's regulations and
21 statutes informing him that the Commission intended
22 to take action to revoke his certificate at this
23 meeting today, based on a felony conviction out of
24 Clark County for Misconduct of a Public Officer, a
25 category E felony, further advising him of the

1 opportunity to appear at this hearing today to
2 contest the revocation, present witnesses and his
3 own testimony, if he desired; additionally, setting
4 out the date, time and location of the meeting
5 today; letting him know if he failed to respond that
6 the Commission would proceed in accordance to your
7 regulations allowing you to revoke him if he didn't
8 appear. Additionally -- finally, setting out the
9 scope of this hearing today, which is whether or not
10 his POST certificate should be revoked for a felony
11 conviction.

12 The next document is the proof of service,
13 showing that Mr. Terry was personally served with
14 this notice on February the 12th, well within the
15 time limits of the Open Meeting Law, as well as the
16 Commission's regulations.

17 Exhibit C is the personnel action report,
18 showing that Mr. Terry was discharged from his
19 employment effective January of 2010, it looks like.
20 And there is a recommendation for revocation based
21 on criminal activity or a criminal proceeding.

22 The next document is Exhibit D. It is the
23 POST certificate, Mr. Terry's POST certificate.

24 The next documents are the court
25 documents, which are proof of the criminal

1 conviction in this case. The first is the
2 indictment. Exhibit E is the indictment showing
3 that Mr. Terry was charged with multiple counts.
4 The one that's relevant to the count -- to the
5 action today would be the second count, Misconduct
6 of a Public Officer. The factual basis in the
7 indictment for that count is that he used -- he
8 willfully and lawfully and feloniously used his
9 position as a class II, I assume that meant category
10 II law enforcement officer employed by Clark County
11 Juvenile -- as a Clark County Juvenile probation
12 officer, provided an inmate inside the Clark County
13 Detention Center with special privileges such as
14 food, books, use of his cell phone.

15 The next document is the plea agreement,
16 in which Mr. Terry agreed to plead guilty to that
17 second count of Misconduct of a Public Officer, a
18 category E felony.

19 Attached to that, is, as an exhibit, is
20 the amended indictment, which contains the single
21 count that he pled guilty to.

22 And, finally, Exhibit G is the Judgment of
23 Conviction showing that he was convicted of that
24 single count of Misconduct of a Public Officer,
25 which is a category E felony.

1 Again, based on the felony conviction and
2 the POST regulations, I would recommend that his
3 POST certification be revoked.

4 RONALD PIERINI: Thank you, Mr. Jensen.
5 The executive documents are accepted and then I'm
6 looking for any comments from the Commissioners.
7 Seeing none, anybody in the public would like to
8 make a comment on this topic? Looking for a motion.

9 GARY SCHOFIELD: Gary Schofield for the
10 record. Make a motion that the certificate,
11 Category II Basic Certificate, for Darryl Thomas
12 Terry be revoked.

13 RONALD PIERINI: Thank you. Have a
14 second?

15 JAMES WRIGHT: Jim Wright will second.

16 RONALD PIERINI: Mr. Wright, you second?
17 Any other discussion? All in favor?

18 COMMISSIONERS: Aye.

19 RONALD PIERINI: Anybody opposed? So
20 carried. Thank you. Number 14 is discussion,
21 public comment, and for possible action. Hearing
22 pursuant to NAC 289.290(1)(g) and NAC 289.290(1)(e).
23 Revoke Dominic Cassinelli's, formerly Winnemucca
24 Police Department, certification based on a felony
25 conviction of Coercion, a gross misdemeanor

1 conviction for Witness Intimidation, and a
2 misdemeanor conviction for Domestic Battery. The
3 Commission will decide whether or not to revoke Mr.
4 Cassinelli's Category I Basic Certificate. Mr.
5 Jensen.

6 MICHAEL JENSEN: Thank you, Mr. Chairman.
7 Final hearing for today. Mr. Cassinelli's POST
8 certificate is the subject of this particular
9 hearing. The issue being whether or not his
10 certification should be revoked for both a
11 misdemeanor conviction for Domestic Battery, a gross
12 misdemeanor conviction and a felony conviction.
13 Again, this hearing is proceeding under the statute
14 and regulation previously cited, but, specifically,
15 289.290(1)(e), (g), and (h).

16 Behind tab -- let me get to the right one
17 here -- tab 14, you'll see a series of documents,
18 Exhibits A through J, which are certified copies of
19 both Commission records, as well as court documents
20 that I'll ask that the Commission adopt and admit as
21 part of the support for this hearing.

22 Starting with Exhibit A, again, you have
23 the amended Notice of Intent to Revoke, which,
24 again, informed Mr. Cassinelli of the charges upon
25 which the Commission would potentially initiate

1 action against his POST certification, informing him
2 of the date, time and location of this hearing, his
3 right to appear and present witnesses in evidence
4 and, also, letting him know if he failed to respond
5 that the Commission would proceed to take action
6 this afternoon. Finally, letting him know the scope
7 of this hearing, which is, as I've previously
8 stated, whether or not his revocation should be
9 revoked for a misdemeanor conviction for Domestic
10 Battery, a gross misdemeanor conviction and a felony
11 conviction and, specifically, also, telling him, of
12 course, of the date, time and location of this
13 hearing today.

14 The second exhibit is Exhibit B. That is
15 showing a declaration of personal service on him on
16 January the 22nd of this year. And, Mr. Chairman,
17 for clarification for the record on this particular
18 hearing, if you look at the declaration of service,
19 you'll see that there -- this declaration of
20 personal service involved the first Notice of Intent
21 to Revoke. I've been informed by Mr. Johnston that
22 he took the Exhibit A, the amended Notice of
23 Revocation to the -- a correctional facility where
24 Mr. Dylan Keith (ph) -- let me make sure I'm getting
25 my names right here -- Mr. Cassinelli was personally

1 served and I would ask Scott to put on the record
2 information regarding how that notice was served so
3 that we'll have that for the record.

4 SCOTT JOHNSTON: Thank you, Mr. Jensen.
5 The first one, Exhibit B, was sent over to the
6 Department of Corrections and Mr. Cassinelli was
7 served. But shortly thereafter, the date of the
8 meeting changed, so we had to serve him with an
9 amended notice, which is Exhibit A. And I
10 personally took this document over to the
11 institution where he was incarcerated in Carson City
12 and met with the counselor there and hand delivered
13 and stood by and waited for them to return that
14 after Mr. Cassinelli would have had an opportunity
15 to read this.

16 Due to him being a law enforcement, former
17 law enforcement officer and being incarcerated in
18 the state penitentiary, leaving such a document like
19 this is pretty much prohibited. So, they delivered
20 that to him, allowed him to review it and then they
21 brought the original document back to me, explaining
22 to me that he has been served, he's read the
23 documents and that's when I adjourned.

24 MICHAEL JENSEN: Okay. Good. Thank you,
25 Mr. Johnston. Mr. Chairman had asked that the

1 Commission would accept that as proof of service on
2 Mr. Cassinelli of this amended Notice of Intent to
3 Revoke.

4 Exhibit D is the Basic Certificate that
5 we're talking about today.

6 I think I skipped Exhibit C, which is a
7 personnel action report, again, showing a separation
8 in the comments section. You'll see that the agency
9 informed the POST Commission that Mr. Cassinelli was
10 incarcerated at the time on several criminal charges
11 and that his employment with the police department
12 had been terminated.

13 This case, as you'll see from the
14 documents, was on two different tracts. The
15 misdemeanor counts went through the Justice Court,
16 so the first document, Exhibit E, court document
17 that you see there, Exhibit E, is the Criminal
18 Complaint showing a count of Domestic Battery, two
19 counts of Domestic Battery, third count of capturing
20 an image of a private area of another person,
21 actually, two counts of that as well.

22 The next document is -- Exhibit F is the
23 admonition of rights that was given to Mr.
24 Cassinelli with regard to the Domestic Battery
25 misdemeanor charge that he was ultimately convicted

1 of.

2 And Exhibit G is the conviction showing
3 that he was convicted of count two, which was the
4 Domestic Battery count, and the other counts and the
5 criminal complaint were dismissed as part of that
6 plea agreement.

7 The next set of documents relate to the
8 felony and the gross misdemeanor conviction. First
9 is -- Exhibit H is the information charging Mr.
10 Cassinelli with the count one Coercion, a category B
11 felony, count two, preventing or dissuading a person
12 from testifying, a gross misdemeanor.

13 Exhibit I is his guilty plea memorandum
14 under Alford, just for the -- I'm sure the
15 Commission understands this, but Alford is just an
16 opportunity or a mechanism for someone to plead --
17 plea to a charge without admitting guilt, but
18 indicating that the prosecution has sufficient
19 evidence to prove the crime and for purposes -- for
20 your purposes, it's a conviction.

21 Exhibit J is the Judgment of Conviction
22 indicating that Mr. Cassinelli was convicted for
23 both Coercion and preventing or dissuading a person
24 from testifying. It indicates that he received
25 convictions on both of those charges, so both the

1 felony and the gross misdemeanor convictions.

2 Based on the documents that we've received
3 and showing that Mr. Cassinelli has been convicted
4 of both a Domestic Battery misdemeanor which, by the
5 terms of the agreement and federal law, disallow him
6 from carrying a firearm or ammunition, in addition
7 to the serious nature of the gross misdemeanor and
8 felony conviction, would recommend that his
9 certification be revoked.

10 RONALD PIERINI: Thank you, Mr. Jensen.
11 Executive documents are accepted along with Scott's
12 presentation on how he served that (inaudible). So,
13 I'd like to ask any of the Commissioners if there's
14 anybody who would like to make any comments. Going
15 out to the public. Is there anybody in the public
16 care to make any comments on this topic? And it
17 looks like Mr. Baalam is ready. (Inaudible).

18 DARIN BAALAM: Darin Baalam. I'll make a
19 motion to revoke Mr. Cassinelli's Category I POST
20 Certificate.

21 RONALD PIERINI: Thank you. Do I have a
22 second?

23 DAN WATTS: Dan Watts, second.

24 RONALD PIERINI: Thank you, Dan. Any
25 other discussion? All in favor?

1 COMMISSIONERS: Aye.

2 RONALD PIERINI: Anybody opposed? So

3 carried. We have one more to go, Mr. Jensen, right?

4 MICHAEL JENSEN: That's right. Mr.

5 Chairman, for --

6 RONALD PIERINI: Okay. Number 15 -- I'm

7 sorry.

8 MICHAEL JENSEN: Didn't want to -- I'm

9 sorry to talk over, Mr. Chairman.

10 RONALD PIERINI: No, no, that's okay.

11 We've got Number 15 to do, right?

12 MICHAEL JENSEN: Actually, on Number 15,

13 the individual who's the subject of this revocation

14 hearing, because the notice was amended, we were

15 unable to get him served with that amended notice

16 within the timeframes required by statute, so we're

17 going to have to table this, this item.

18 RONALD PIERINI: Table it for next time?

19 MICHAEL JENSEN: Yes.

20 RONALD PIERINI: Thank you, Mr. Jensen.

21 Public Comment. Is there anybody in the audience

22 like to make any comments that have not been

23 agendaized today that you would like to bring in

24 front of the Commission? Seeing none, we're going

25 to then go into discussion and public comment, and

1 for possible action for the next Commission meeting.
2 Mr. Clark?

3 RICHARD CLARK: Thank you, Mr. Chairman.
4 Dick Clark for the record. The next meeting time
5 that we're looking at is going to be in May. There
6 is a series of meetings that go on right around the
7 same time. On April the 30th, the Sheriffs and
8 Chiefs have a brunch and then a meeting that starts,
9 I think, around noon and goes until 3:00 in the
10 afternoon, so that day is not good.

11 The next day is the Law Enforcement
12 Memorial on May the 1st. We're looking at trying to
13 schedule the meeting in morning at 8:00 in the
14 morning. That way there wouldn't be any conflict
15 for the Commissioners to attend the noon Law
16 Enforcement Memorial. And I think we're after --
17 after that, we're looking at the possibility of
18 maybe a meeting with the Governor. We haven't
19 arranged that yet, but that's -- that would be the
20 timeframe that we'd be looking at for our official
21 meeting. And we're not looking at a dual meeting on
22 that schedule. It would be a single meeting in the
23 morning of May the 1st at 8:00 a.m.

24 RONALD PIERINI: All right. Thank you.
25 Course, those notices will be given out once we get

1 that all finalized. All right. We'll go into --
2 Number 18 is adjournment and I bet somebody in here
3 might want to make a motion. Yes.

4 DARIN BAALAM: Darin Baalam. Make motion
5 to adjourn.

6 RONALD PIERINI: Thank you, Mr. Baalam.
7 Do I have second?

8 DAN WATTS: Dan Watts, second.

9 RONALD PIERINI: Dan Watts, second. All
10 in favor?

11 COMMISSIONERS: Aye.

12 RONALD PIERINI: Thank you very much.

3. Miscellaneous Comments.

POST staff completed a Job Task Analysis Survey to facilitate process analysis of each bureau. The wireless network was installed and is working great thanks to the JAG grant that Heather secured. All state certification exams are now on-line and working with out a glitch. Technology and Development has started archiving records from the data base. The shortened academy seems to be working well, lack of outside instructors has put most of the instruction on staff.

AGENDA ITEM 6

6. **DISCUSSION, PUBLIC COMMENT, AND FOR POSSIBLE ACTION.**

The Commission will discuss and possibly take action whether to continue the rulemaking process to consider repealing NAC 289.200(3), the regulation establishing an expedited process for a peace officer holding a category II basic certificate to obtain a category I basic certificate upon successful completion of a training course approved by the Executive Director that consists of a minimum of 280 hours in specific course topics. Through the repeal of this regulation, the Commission would no longer provide an expedited process for a category II peace officer to upgrade to a category I certificate.

AGENDA ITEM 7

7. **DISCUSSION, PUBLIC COMMENT, AND FOR POSSIBLE ACTION.**

Hearing pursuant to NAC 289.290(1)(e) on the revocation of Thomas R. Mendiola's, formerly of the Las Vegas Metropolitan Police Department, certification based on a gross misdemeanor conviction for Conspiracy To Commit Disposal Of Firearm To Prohibited Person. The Commission will decide whether to revoke Mr. Mendiola's Category I Basic Certificate.

289.290 Denial, revocation, suspension and reinstatement of certificate. (NRS 289.510)

1. Each of the following constitutes cause for the Commission to revoke, refuse or suspend the certificate of a peace officer:

- (a) Willful falsification of any information provided to obtain the certificate.
- (b) A permanent or chronic physical or mental disability affecting the officer's ability to perform his full range of duties.
- (c) Chronic drinking or drunkenness on duty.
- (d) Addiction to or the unlawful use or possession of narcotics or other drugs.
- (e) Conviction of a gross misdemeanor. Upon criminal indictment or filing of a criminal complaint, suspension may be imposed.
- (f) Failure to comply with the standards established in NAC 289.010 to 289.380, inclusive.
- (g) Conviction of a felony. Upon criminal indictment or filing of a criminal complaint, suspension may be imposed. Upon conviction, the certificate will be revoked.
- (h) Conviction of a misdemeanor. If the employing agency recommends suspension or revocation following conviction of the employee for a misdemeanor, suspension or revocation may be imposed. In determining whether to suspend or revoke the certificate, the Commission will consider the type of conviction and other information provided by the agency indicating unprofessional conduct or similar undesirable activity by the officer that resulted in disciplinary action.

2. Denial, suspension or revocation procedures will not be considered by the Commission in cases where the employment of an officer is terminated for violations of the policies, general orders or similar guidelines of operation of the employing agency which do not constitute any of the causes for denial, suspension or revocation specified in subsection 1.

3. The employing agency shall notify the Commission any time that it becomes aware that one of its officers has been charged with a crime that could result in denial, suspension or revocation procedures. Upon receipt of information alleging any of the causes enumerated in subsection 1, the Commission will determine whether to pursue revocation or suspension of the certificate of the officer.

4. The Commission will notify the officer by certified mail at the officer's last known address of any pending revocation or suspension action and of the nature of the charges and the officer's right to appear and answer the charges. The officer shall, within 15 days after the date on the certified mail receipt, respond in writing, notifying the Commission of his intended action with reference to the charges.

5. If the officer fails to notify the Commission within the specified time of his intention to appear in answer to the pending action, the Commission will:

- (a) Consider the case on its own merits, using the statement from the head of the employing agency or the substantiated information derived from any independent investigation it deems necessary;
- (b) Take no action pending the outcome of possible criminal action which may be filed against the officer; and
- (c) Take no action pending the outcome of an appeal.

↳ The Commission's decision will be determined by a majority vote of the members of the Commission present.

6. When an officer notifies the Commission of his intention to appear and answer the charges pending against him, the Commission will elect to sit as a whole at a hearing or

designate an independent hearing officer to hear the matter and make recommendations in writing to the Commission. The Commission will review the recommendations of any such hearing officer and arrive at a decision by majority vote of the members present.

7. The Commission will notify the officer of its decision within 15 days after the hearing.

8. An applicant for a certificate who has not been previously certified, but who would be subject to revocation for any cause set out in subsection 1, will not be granted a certificate.

9. If, upon receiving a written allegation that a peace officer is in violation of any provision of subsection 1 and that the facts and circumstances indicate that suspension rather than revocation would be in the best interests of the agency and law enforcement in general, the Commission will suspend the officer's certificate.

10. The Commission will provide each peace officer whose certificate is suspended with written notice of the suspension by certified registered mail. The suspension becomes effective 24 hours after receipt of the certified notice. The notice will contain a statement advising the officer of his right to a hearing.

11. Suspension of a certificate is not a bar to future revocation of the certificate and any prior suspensions may be considered as a factor if revocation is being considered by the Commission.

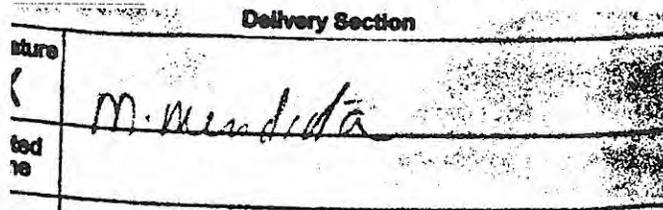

12. Five years after the revocation of a certificate, an officer may submit a written request to the Commission to allow him to reinstate his certificate. The Commission will schedule a hearing to consider whether to reinstate the officer's certificate. The Commission will notify the agency that requested the revocation of the date and time of the hearing. After the hearing, the Commission will determine whether to reinstate the certificate. If the certificate is reinstated, the Commission may establish a probationary period during which any misconduct by the officer would result in revocation.

3 may have to increase my sentence as an habitual criminal to FIVE (5) to TWENTY (20)
4 years, life without the possibility of parole, life with the possibility of parole after TEN (10)
5 years, or a definite TWENTY-FIVE (25) year term with the possibility of parole after TEN
6 (10) years.

7 Otherwise I am entitled to receive the benefits of these negotiations as stated in this
8 plea agreement.

9 CONSEQUENCES OF THE PLEA

10 I understand that by pleading guilty I admit the facts which support all the elements of
11 the offense(s) to which I now plead as set forth in Exhibit "1".

12 I understand that as a consequence of my plea of guilty I may be imprisoned in the
13 Clark County Detention Center for a period of not more than one (1) year and that I may be
14 fined up to \$2,000.00.

15 I understand that the law requires me to pay an Administrative Assessment Fee.

16 I understand that, if appropriate, I will be ordered to make restitution to the victim of
17 the offense(s) to which I am pleading guilty and to the victim of any related offense which is
18 being dismissed or not prosecuted pursuant to this agreement. I will also be ordered to
19 reimburse the State of Nevada for any expenses related to my extradition, if any.

20 I understand that I am eligible for probation for the offense to which I am pleading
21 guilty. I understand that, except as otherwise provided by statute, the question of whether I
22 receive probation is in the discretion of the sentencing judge.

23 I further understand that if I am pleading guilty to charges of Burglary, Invasion of
24 the Home, Possession of a Controlled Substance with Intent to Sell, Sale of a Controlled
25 Substance, or Gaming Crimes, for which I have prior felony conviction(s), I will not be
26 eligible for probation and may receive a higher sentencing range.

27 I understand that if more than one sentence of imprisonment is imposed and I am
28 eligible to serve the sentences concurrently, the sentencing judge has the discretion to order

1 the sentences served concurrently or consecutively.

2 I also understand that information regarding charges not filed, dismissed charges, or
3 charges to be dismissed pursuant to this agreement may be considered by the judge at
4 sentencing.

5 I have not been promised or guaranteed any particular sentence by anyone. I know
6 that my sentence is to be determined by the Court within the limits prescribed by statute.

7 I understand that if my attorney or the State of Nevada or both recommend any
8 specific punishment to the Court, the Court is not obligated to accept the recommendation.

9 I understand that if the State of Nevada has agreed to recommend or stipulate a
10 particular sentence or has agreed not to present argument regarding the sentence, or agreed
11 not to oppose a particular sentence, or has agreed to disposition as a gross misdemeanor
12 when the offense could have been treated as a felony, such agreement is contingent upon my
13 appearance in court on the initial sentencing date (and any subsequent dates if the sentencing
14 is continued). I understand that if I fail to appear for the scheduled sentencing date or I
15 commit a new criminal offense prior to sentencing the State of Nevada would regain the full
16 right to argue for any lawful sentence.

17 I understand if the offense(s) to which I am pleading guilty to was committed while I
18 was incarcerated on another charge or while I was on probation or parole that I am not
19 eligible for credit for time served toward the instant offense(s).

20 I understand that if I am not a United States citizen, any criminal conviction will
21 likely result in serious negative immigration consequences including but not limited to:

- 22 1. The removal from the United States through deportation;
- 23 2. An inability to reenter the United States;
- 24 3. The inability to gain United States citizenship or legal residency;
- 25 4. An inability to renew and/or retain any legal residency status; and/or
- 26 5. An indeterminate term of confinement, with the United States Federal
Government based on my conviction and immigration status.

27 Regardless of what I have been told by any attorney, no one can promise me that this
28 conviction will not result in negative immigration consequences and/or impact my ability to

1 become a United States citizen and/or a legal resident.

2 I understand that the Division of Parole and Probation will prepare a report for the
3 sentencing judge prior to sentencing. This report will include matters relevant to the issue of
4 sentencing, including my criminal history. This report may contain hearsay information
5 regarding my background and criminal history. My attorney and I will each have the
6 opportunity to comment on the information contained in the report at the time of sentencing.
7 Unless the District Attorney has specifically agreed otherwise, then the District Attorney
8 may also comment on this report.

9 WAIVER OF RIGHTS

10 By entering my plea of guilty, I understand that I am waiving and forever giving up
11 the following rights and privileges:

- 12 1. The constitutional privilege against self-incrimination, including the
13 right to refuse to testify at trial, in which event the prosecution would
not be allowed to comment to the jury about my refusal to testify.
- 14 2. The constitutional right to a speedy and public trial by an impartial jury,
15 free of excessive pretrial publicity prejudicial to the defense, at which
16 trial I would be entitled to the assistance of an attorney, either appointed
or retained. At trial the State would bear the burden of proving beyond
a reasonable doubt each element of the offense(s) charged.
- 17 3. The constitutional right to confront and cross-examine any witnesses
18 who would testify against me.
- 19 4. The constitutional right to subpoena witnesses to testify on my behalf.
- 20 5. The constitutional right to testify in my own defense.
- 21 6. The right to appeal the conviction with the assistance of an attorney,
22 either appointed or retained, unless specifically reserved in writing and
23 agreed upon as provided in NRS 174.035(3). I understand this means I
24 am unconditionally waiving my right to a direct appeal of this
conviction, including any challenge based upon reasonable
25 constitutional, jurisdictional or other grounds that challenge the legality
of the proceedings as stated in NRS 177.015(4). However, I remain free
to challenge my conviction through other post-conviction remedies
including a habeas corpus petition pursuant to NRS Chapter 34.

26 VOLUNTARINESS OF PLEA

27 I have discussed the elements of all of the original charge(s) against me with my
28 attorney and I understand the nature of the charge(s) against me.

1 I understand that the State would have to prove each element of the charge(s) against
2 me at trial.

3 I have discussed with my attorney any possible defenses, defense strategies and
4 circumstances which might be in my favor.

5 All of the foregoing elements, consequences, rights, and waiver of rights have been
6 thoroughly explained to me by my attorney.

7 I believe that pleading guilty and accepting this plea bargain is in my best interest,
8 and that a trial would be contrary to my best interest.

9 I am signing this agreement voluntarily, after consultation with my attorney, and I am
10 not acting under duress or coercion or by virtue of any promises of leniency, except for those
11 set forth in this agreement.

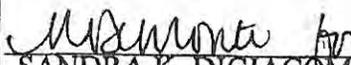

12 I am not now under the influence of any intoxicating liquor, a controlled substance or
13 other drug which would in any manner impair my ability to comprehend or understand this
14 agreement or the proceedings surrounding my entry of this plea.

15 My attorney has answered all my questions regarding this guilty plea agreement and
16 its consequences to my satisfaction and I am satisfied with the services provided by my
17 attorney.

Re: Recommendation for Award of Executive POST Certificate
Captain Jeff Melvin

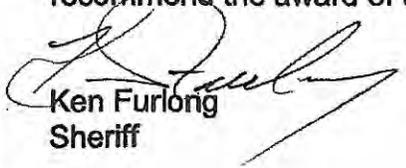

From: Sheriff Ken Furlong:

It is a pleasure to recommend Captain Jeff Melvin to be awarded his Executive POST Certificated from the Nevada POST Commission. Captain Melvin has fulfilled all the requirements established by the commission and has very well earned this recognition.

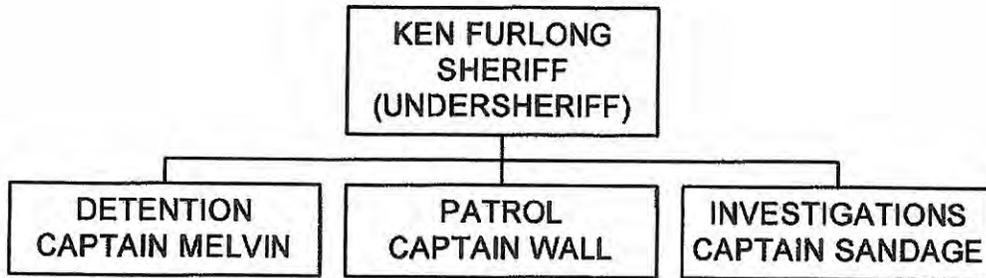

Captain Melvin is an integral member of this department, providing qualified policy directions, formulation of policy procedures, and implementations of instructions based on interpretation of law. Since being promoted to upper level management reporting to the Sheriff, Captain Melvin has taken on the roles of executive directed enforcement operations, personnel accountability, equipment, and single point of contact for all health, safety and welfare detention operations. It is noteworthy that his leadership has provided the core foundations for many of the Carson City Sheriff's Office programs. He is a committed well educated and professional officer.

Captain Melvin has achieved greater milestones by devoting time and attention to career development that has enhanced his own well-being, as well as created an internal and external mentor role for others to follow. He is highly respected among his peers and one of the most effective leaders in the Carson City Sheriff's Office.

I am fully supportive of Captain Jeff Melvin's pursuit of career milestones and strongly recommend the award of an Executive POST Certificate.

Dear Mr. Clark,

I am requesting that Nevada Youth Parole Unit Manager Ann Feher be granted a six (6) month extension to complete a Category II Peace Officer Academy. Ms. Feher began working at the Nevada Youth Parole Bureau, Las Vegas Office, on June 10, 2013 as a Unit Manager. She is currently scheduled to attend the Silver State Law Enforcement Academy, which begins May 17, 2014. A Pre-POST Fitness Test (PPFT) is slated for May 3, 2014. Recently, Ms. Feher was diagnosed with a fractured ankle, which may limit her ability to pass the PPFT. If it is determined by her attending doctor that she unable to participate in the PPFT in May, we would respectfully ask that a six month extension be granted to enroll her in a future academy.

Thanking you in advance for your consideration in this matter.

Sincerely,

James J. Kingera, Chief
Nevada Parole Bureau
