NOTICE OF WORKSHOP TO SOLICIT COMMENTS ON PROPOSED REGULATIONS

The Commission on Peace Officer Standards and Training is proposing the adoption, amendment and repeal of regulations pertaining to Chapter 289 of the Nevada Administrative Code.

A workshop has been scheduled for 10:00 a.m., on August 15, 2019, at the Reno Police Department, Briefing Room, at 455 East Second Street Reno, Nevada 89502.

The purpose of the workshop is to solicit comments from interested persons on the following general topics that may be addressed in the proposed regulations:

TOPIC

NAC REGULATION

The Commission to discuss revisions to its regulations establishing the consequences to a person's POST certification being in an inactive status for more than 5 years. Pursuant to NAC 289.200(8), a person's POST certification is placed in an inactive status when their officer employment is terminated for any reason. If the person's POST certification is in an inactive status for more than five consecutive years, they are required to successfully complete a basic training course, the State Physical Fitness Examination and the State Certification Examination. See NAC 289.200(1). The Commission is considering a revision to its regulations that would toll the running of the five year time period during the time the person is employed by a federal law enforcement agency in the State of Nevada that requires its officers to complete training recognized by the POST Commission pursuant to NAC 289.200(2), or the person is employed full time in a training officer, supervisor or manager position at a school that primarily teaches a basic training course certified by the POST Commission.
