All applications, personnel action reports and training reports are on the SPOC portal. All supporting forms for applications can be found under the FORMS tab. Outdated forms will not be accepted and applications can/will be rejected.

Training Portal

Nevada POST has recently migrated to a new training platform and is no longer utilizing the NVeLearn platform to deliver our online training and testing.

This online learning environment provides courses in a variety of subject areas relevant to law enforcement employees in the State of Nevada. As this is a new platform and we are still working through any technical issues that may arise, if you encounter any errors or difficulties using the portal, please contact us at <u>bgatlin@post.state.nv.us</u> or at <u>asocha@post.state.nv.us</u>.

For more information, or to access our new Training Portal, navigate to <u>post.nv.gov</u> and click on <u>Training Portal</u> from the menu bar.

If you have previously completed any courses on NVeLearn but did not download your Certificate of Completion, please do so now and ensure that your agency SPOC (single-point-of-contact) receives a copy so it can be entered into your P.O.S.T. training record.

This communication is intended for all of Nevada Law Enforcement. Please forward this document or make it available to anyone for which the material may be of interest. This document is also available from the Home page of http://post.nv.gov

Online PPRT Administrator and Proctor Courses

Just a reminder, the POST PPRT is a validated physical readiness test. It is not designed to measure fitness level, but rather the physical ability to complete those critical tasks that may occur within each category of peace officer. Obviously, the title can be confusing, but this is an important distinction.

<u>To reduce confusion, we will be using the term PPRT (POST Physical Readiness Test) go-</u> ing forward.

Only those administering the test for official record certification purposes are required to be PPRT Administrator certified. Those who are conducting PPRT's for hiring/recruiting purposes, or in a capacity other than the officer's record certification PPRT, are not required to be PPRT Administrator certified.

PPRT Proctor Course

POST has prepared an informational online PPRT course specifically for attendees that only conduct non-record PPRT's. Those who attend this course will receive a Certificate of Completion. But will NOT receive a PPRT Administrator's certification number. This course is located on our NV POST Training Portal. You can access the training portal at the POST website, the tab is located on the top tool bar.

PPRT Administrators Course

POST has updated the process to become a PPRT Administrator.

Those needing to be PPRT Administrator certified, for the purposes of conducting PPRT's for record, will take the PPRT Administrator Course on the NV POST Training Portal, located on the POST website.

Once the course has been completed, the student will complete the course evaluation and the online exam.

Upon successful completion of the online exam, the student will be directed to email a specific individual at POST. POST will verify course completion and will issue the PPRT Administrator's Certificate of Completion with a unique PPRT Administrator number.

To enroll in this course, students will need to work with their supervisor, manager or administrator

of their agency and fill out the PPRT Administrator Course Nomination sheet available on the

forms page of our website at post.nv.gov/forms/ and submit the completed form to Training Division Chief Mike Hayhurst at <a href="mailto:mailto
