Future Transition for Online Courses and Exams

SMART 21, short for "Silver State Modernization Approach for Resource and Technology in the 21st Century" is the transformation of many of the state government's legacy computer systems to new cloud-based technology; the first wave of transition occurred on March 1. Among other things, this will eventually replace the current state learning management system ("L.M.S."), known as NVeLearn. POST has for some time used the NVeLearn platform to host our online-based training, to manage online testing for our basic and professional courses, to host state certification exams, and to host a portion of our training records. It is a priority for POST to minimize disruptions to the learning environment as we gradually transition to the new "SuccessFactors" learning system over the next few months, and the legacy NVeLearn system will continue to be available until we complete this transition. We will regularly communicate and coordinate any updates with academies and agencies well in advance.

Nevada POST Management Program Library

- POST has four sets of textbooks available for loan.
- The books are available on a first come, first serve basis.
 - The books must be requested by the agency, not by the individual.
 - **Maximum** checkout period is **ninety days**.
 - Shipping will be covered by the requesting agency.
 - All textbooks shall be returned in original condition.
 - The requesting agency will accept responsibility for damaged or misplaced textbooks.

Please contact Ms. Kayla Parsley for textbook availability and checkout procedure.

Attn: Agency SPOC's and Agency Administrators

In 2012, NAC289.235 was created to provide an alternate route to suspension or revocation of a basic certificate. Not only can an officer decide to surrender his basic for reasons of his/her own, an agency can provide this option when negotiating a termination agreement, as part of a plea agreement during a trial, or even as part of a settlement agreement.

The "Voluntary Surrender of Basic Certificate" is located on the POST website, under the Forms tab.

The POST Commission can suspend/revoke once an officer has been sentenced, but an agency, or the officer themselves, can utilize this option at any time.

Contact Chief Kathy Floyd for more information or if you have questions, (775) 687-3335.
