ACADEMY CADET ENROLLMENT PACKET**

**POST ACADEMY ENROLLMENT POLICY**

Each POST CAT I Academy class has a maximum of 50 cadets open to all agencies in the state. The start date and the enrollment packet for each Academy class are posted on the POST website along with the specified deadline date for enrollment. All completed forms and documents that are required for successful enrollment must be received by the specified deadline date, at which time enrollment for that class is considered closed. Once the deadline has been reached, if the Academy has not yet reached capacity, any agency who had previously submitted more than 2 completed enrollment packets, will be admitted to the Academy on a first come first served basis of when their packet was submitted, up until the Academy reaches capacity. If there are still spots, the remaining spots will be filled on a first come first served basis until capacity is reached, at that time any subsequent completed enrollment packets will be put on the alternate list.

If more than the allowed number of cadets are enrolled in one class, acceptance will be based on an agency's selection of no more than two cadets per agency, on a first come first serve basis, in addition to the following priority:

1. Any officer granted an extension by the Commission.
2. Rural agencies with cadets due to reach 1 year of employment prior to the start of the following Academy.
3. State agencies with cadets due to reach 1 year of employment prior to the start of the following Academy.
4. Rural agency cadets.
5. State agency cadets.
6. Tribal agency cadets

Based on a cadet's agency and the above priority, up to 6 alternate cadets will be identified, prioritized, and notified. Alternate cadets must attend the first day of the Academy with all required uniforms and equipment and participate in the PPRT. Alternate cadets are not guaranteed enrollment in the class; however, if vacancies occur on day 1, each vacancy shall be filled by an alternate cadet in their prioritized order. Any alternate cadet not confirmed into the class and cadets that had successfully enrolled, but were not accepted, will automatically be placed on a waiting list for the following Academy class.

By signing below, you acknowledge receipt of the above Academy Enrollment Policy. You further acknowledge that you have read, understand, and accept the policy in its entirety.
