Welcome to the POST CAT II/III Hybrid Academy. The following documents must be completed and submitted to [POSTTraining@post.state.nv.us](mailto:POSTTraining@post.state.nv.us) prior to being admitted to the program, for any questions regarding the registration documents call (775) 687-3310 or email the POST Training email above.

When all the documents have been received by POST your agency will be notified that you have been enrolled in the POST CAT II/III Hybrid Academy. From the date of notification, you will have a maximum period of 364 calendar days to complete the Online Academic Module I and the Module II Skills requirements (refer to the module descriptions page).

Module II requirements are completed with your agency. Attached are forms that must be completed by a certified instructor and emailed to POST. After completion of Module I and Module II the cadet will come to POST for final scenario-based training, final PPRT, and final certification exams. Cadets will then receive a Certificate of Completion, and your agency SPOC will apply for the Basic Certificate by completing the "Basic Certificate Application" found on our POST website under the SPOC Portal.

The CAT II Hybrid Basic Academy meets the 200 hours required for certification, therefore a cadet must be enrolled for a minimum of 5 weeks.

### **Attention Veterans**

If you are a veteran and qualify for Veteran's Education Benefits and would like to apply for those benefits, complete Form 22-1990 (if you have never applied) or form 22-1995 (if you have already applied for benefits), BEFORE the first day of Academy.

Cadets will be required to complete nine blocks of instruction containing the online classes listed below. After Cadets complete reading **each** block of instruction, they will need to send an email to [POSTTraining@post.state.nv.us](mailto:POSTTraining@post.state.nv.us). In this email Cadets will need to **request the date and time** they would like to take the block exam associated with the block of classes they just completed. Requests must be made at least 2 business days before the exam is to be taken. Exams can be scheduled outside of the POST business days if the request was received at least 2 business days prior. Exam requests are processed Monday-Thursday. The Cadet will receive a confirmation email of the test being scheduled along with their personal password to access the exam. This password is not to be shared with any other Cadets. The Cadet must pass the block exam with a minimum score of 80%. Once the POST Administrative Assistant confirms that the test is passed, the Cadet will be enrolled in the next block of instruction. If the Cadet fails the exam, they will be allowed to review the block of instruction and schedule to retake the block exam one time. Cadets must pass the retake exam, or they will be removed from the academy. If a Cadet fails more than two blocks of exam attempts in the entirety of the online module they will be removed from the academy.
